

# S&W SHIELD 45 DUTY/CARRY KIT - APEX TACTICAL SPECIALTIES INC S&W SHIELD 45 DUTY/CARRY KIT

[Handgun Parts](#) > [Trigger Group Parts](#) > [Performance Enhancing Kits](#)

## Reduces Trigger Pull Weight & Gives Faster, More Detectable Reset

Apex's Duty / Carry Kit is designed to give your M&P Shield 45 a smoother, more consistent trigger pull that is approximately 2 lbs. lighter than the factory trigger. As an added advantage, the Apex Shield 45 Duty / Carry Kit smooths the overall feel of the pull AND reduces over-travel, thus delivering a shorter, faster, more detectable reset. Reduces pull weight while keeping it within the safe range for reliable function of a service pistol Actual reduction in pull weight varies from gun to gun D.I.Y. installation (maybe a bit more than "drop in") Kit includes precision-machined sear, Talon Tactical tool, striker block spring, sear spring, trigger return spring, carry spring set, and trigger return spring installation slave pin Works with all S&W M&P Shield 45 pistols The M&P Shield 45 Duty / Carry Kit can be used with your pistol's factory trigger, or for an even greater improvement in the trigger pull, combine with Apex's Action Enhancement Trigger (sold separately).

# Safety Instruction Guide for S&W SHIELD 45 DUTY/CARRY KIT

## Introduction

Thank you for choosing the S&W SHIELD 45 DUTY/CARRY KIT by Apex Tactical Specialties Inc. This kit is designed to enhance the performance of your M&P Shield 45 by providing a smoother and more consistent trigger pull. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that your firearm is unloaded before installing or handling the Duty/Carry Kit.
- Always follow the manufacturer's instructions for the safe operation of your firearm.
- Keep the kit and all related tools out of reach of children and unauthorized users.
- Regularly inspect your firearm and the installed components for wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not attempt to use the Duty/Carry Kit if you are unfamiliar with firearm maintenance and modifications.
- Ensure that you have the proper tools and a safe workspace before beginning installation.
- Always wear safety glasses when working with firearms and related components.
- Avoid distractions while installing or handling your firearm.
- If you experience any issues during installation or use, consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your M&P Shield 45 is unloaded and pointed in a safe direction.
- Gather all necessary tools, including the Talon Tactical tool provided in the kit.

### 2. Installation Steps:

- Remove the factory trigger and associated components from your firearm.
- Carefully install the precisionmachined sear from the Duty/Carry Kit according to the manufacturer's specifications.
- Install the striker block spring, sear spring, trigger return spring, and carry spring set as outlined in the kit instructions.
- Use the trigger return spring installation slave pin to assist with the installation of the trigger return spring.
- Reassemble your firearm and ensure all components are securely in place.

### 3. Testing:

- After installation, conduct a function check to ensure that the trigger operates correctly.
- If you have installed the Apex Action Enhancement Trigger (sold separately), test the trigger pull to confirm improved performance.

### 4. Usage:

- Always handle your firearm safely and responsibly.
- Regularly check the installed components for proper function and wear.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- Do not dispose of firearm components in regular household waste. Contact your local waste disposal authority for guidance on safe disposal methods.

## **Contact Information for Further Support**

- For any questions or concerns regarding the S&W SHIELD 45 DUTY/CARRY KIT, please consult the manufacturer's website or contact their customer support team.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your S&W SHIELD 45 DUTY/CARRY KIT. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
