# AR15 Dovetail Safety Selector Levers Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 Dovetail Safety Selector Levers from Battle Arms Development Inc. This guide provides essential safety instructions and information to ensure the safe use of your product. It is crucial to follow these guidelines to maximize safety and performance.

## General Safety Guidelines

- Always handle your firearm with care and respect.
- Ensure that the firearm is unloaded before installing or modifying any components.
- Familiarize yourself with your firearm's manual and safety features.
- Store your firearm and its components in a secure location, away from unauthorized access, especially by children.
- Regularly inspect your safety selector lever for wear or damage.
- If you notice any irregularities, discontinue use and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Ensure that the safety selector lever is fully engaged in the "safe" position when not in use.
- Do not modify the safety selector lever beyond the manufacturer's specifications.
- Always verify that the firearm is in the "safe" position before cleaning or performing maintenance.
- Use protective eyewear when handling firearms to prevent injury from accidental discharges or debris.
- Be aware of your surroundings and ensure that no one is in the line of fire when operating your firearm.

## Instructions for Installation and Usage

### Installation Instructions

1. **Ensure Safety:** Confirm that the firearm is unloaded and the magazine is removed.
2. **Remove the Existing Safety Selector:**
  - Use a suitable tool to remove the existing safety selector lever from the firearm.
  - Keep all small parts in a safe place for reassembly.
3. **Install the BADASSLEVER:**
  - Align the BADASSLEVER with the safety selector hole.
  - Gently push the lever into place until it is secure.
4. **Test the Functionality:**
  - Move the lever through its range of motion to ensure smooth operation.
  - Confirm that the lever securely engages in both the "safe" and "fire" positions.

### Usage Instructions

- To switch from "safe" to "fire", gently push the lever down.
- To return to the "safe" position, push the lever back up.
- Always ensure that the firearm is pointed in a safe direction when operating the safety selector lever.

### Disposal Instructions

- Dispose of any old or damaged safety selector levers in accordance with local regulations.
- Ensure that all components are disposed of in an environmentally friendly manner.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the AR15 Dovetail Safety Selector Levers, please reach out to the manufacturer or your local firearms dealer. Always refer to official sources for the most accurate and up-to-date information.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your AR15 Dovetail Safety Selector Levers. Thank you for prioritizing safety and responsible firearm handling.
