Drop-In Extractor Delivers Reliable Round Ejection

The Tandemkross Eagle's Talon Extractor for the Browning Buck Mark is an upgrade that replaces the factory-provided BuckMark extractor for improved reliability. Tandemkross' Eagle's Talon Extractor is CNC-machined with a positive hook that grabs and secures each round until it needs to be ejected. Machined from hardened tool steel to last a lifetime Sharp hook design grabs casings securely and surely Reduces failures-to-eject and stove-pipe malfunctions The Tandemkross Eagle's Talon Extractor for Browning Buck Mark delivers a secure hold on the case as the pistol is cycling, diminishing malfunctions such as stove-pipes and failures-to-eject.

Safety Instruction Guide for Tandemkross Eagle's Talon Extractor for Browning Buck Mark

Introduction

Thank you for choosing the Tandemkross Eagle's Talon Extractor for your Browning Buck Mark. This product is designed to enhance the performance and reliability of your firearm. Please read and understand the following safety instructions to ensure proper use and maintenance of the extractor.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Store firearms and ammunition in a secure place, out of reach of children.
- Do not use the extractor if it is damaged or malfunctioning.
- Always wear appropriate eye and ear protection when using firearms.
- Follow all local laws and regulations regarding firearm use and safety.

Specific Safety Precautions for Use

- Ensure that the extractor is compatible with your Browning Buck Mark model before installation.
- Do not attempt to modify or alter the extractor in any way.
- Regularly inspect the extractor for wear and tear.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.
- Keep the work area clean and free from distractions while handling your firearm and the extractor.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory extractor from the Browning Buck Mark according to the manufacturer's instructions.
- Carefully install the Tandemkross Eagle's Talon Extractor in place of the factory extractor, ensuring it is securely fitted.
- Doublecheck that all components are properly aligned and functioning before use.

2. Usage

- Load your firearm according to the manufacturer's instructions.
- When firing, maintain a firm grip and ensure proper stance.
- Monitor the firearm's performance, paying attention to any unusual sounds or malfunctions.
- If a malfunction occurs, follow the appropriate clearing procedures for your Browning Buck Mark.

Disposal Instructions

- Dispose of the extractor responsibly. Do not throw it in regular trash.
- Check with local regulations for proper disposal methods of firearm components.
- If the extractor is damaged beyond use, consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding safety, installation, or performance of the Tandemkross Eagle's Talon Extractor, please refer to the manufacturer's website or contact customer support directly.

Please remember that safety is paramount when handling firearms and their components. Always prioritize responsible usage and maintenance to ensure a safe shooting experience.
