

# ADJUSTABLE TRIGGER WITH TRIGGER BAR FOR 10/45 - LONE WOLF DIST. LWD ULTIMATE ADJUSTABLE TRIGGER W/trigger bar 10/45 BLACK

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Trigger shoe is machined from a billet of 6061 aluminum on state of the art CNC machinery. No need to remove the trigger from the gun to adjust the trigger. Pre travel and over travel can be adjusted with the trigger in the gun. An oversized safety spring and a safety lever that is flush to the shoe make it more comfortable to the shooters finger.

## Attributes

# Adjustable Trigger with Trigger Bar for 10/45 Lone Wolf Dist. Safety Instruction Guide

## Introduction

Thank you for choosing the Adjustable Trigger with Trigger Bar for 10/45 Lone Wolf Dist. This product is designed to enhance your shooting experience by allowing for easy adjustments while maintaining safety and comfort. Please read this safety instruction guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure that the firearm is pointed in a safe direction at all times.
- Store the firearm and accessories in a secure location away from children and unauthorized users.
- Regularly inspect your firearm and accessories for any signs of wear or damage.
- Be aware of your surroundings and ensure a clear and safe shooting area.

## Specific Safety Precautions for Use

- Only use the Adjustable Trigger with compatible Glock models: 21, 30, 20, 41, and 40.
- Ensure that the firearm is unloaded before making any adjustments to the trigger.
- Adjustments should be made with the trigger installed in the firearm to prevent accidental discharge.
- Use caution when handling the trigger bar to avoid injury.
- If you experience any malfunctions or unusual behavior during use, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, if required.

### 2. Installation:

- Remove the existing trigger from the firearm following the manufacturer's instructions.
- Carefully install the Adjustable Trigger with Trigger Bar by aligning it with the trigger mechanism.
- Ensure all components are securely attached and functioning correctly.

### 3. Adjustment:

- To adjust pretravel and overtravel, use the adjustment screws located on the trigger.
- Make small adjustments and test the trigger function frequently to ensure safety and performance.
- Remember, adjustments can be made with the trigger in the gun.

### 4. Testing:

- After installation and adjustment, conduct a function test to ensure the trigger operates correctly.
- Perform this test in a safe environment, ensuring no live ammunition is present.

### 5. Maintenance:

- Regularly clean and inspect the trigger and its components to ensure optimal performance.

- Replace any worn or damaged parts immediately.

## Disposal Instructions

- Dispose of the Adjustable Trigger and any associated components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling components where possible to minimize environmental impact.

## Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's contact information provided with the product packaging.

## Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your Adjustable Trigger with Trigger Bar for 10/45 Lone Wolf Dist. Always prioritize safety and stay informed about best practices for firearm handling and maintenance. Thank you for your commitment to responsible firearm use.
