# Firing Pin Channel Liner for Glock® Gen 3 Safety Instruction Guide

## Introduction

Thank you for choosing the Shadow Gunworks Firing Pin Channel Liner for your Glock® Gen 3. This product is designed to enhance the performance of your firearm by providing a quality upgrade for worn or inferior parts. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is compatible with your specific Glock® Gen 3 model.
- Always handle firearms with care and follow all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the Firing Pin Channel Liner for wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Before installation, ensure that your firearm is unloaded and the safety is engaged.
- Use appropriate tools when installing the Firing Pin Channel Liner to avoid injury.
- Do not attempt to modify or alter the Firing Pin Channel Liner.
- Avoid exposure to extreme temperatures or harsh chemicals that may affect the nylon polymer.
- If you notice any unusual behavior from your firearm after installation, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your Glock® Gen 3 is completely unloaded.
- Gather necessary tools: a punch tool and a cleaning cloth.

### 2. Installation Steps

- Remove the slide from the frame of your Glock® Gen 3.
- Locate the firing pin channel.
- Use the punch tool to gently remove the old liner if present.
- Clean the firing pin channel with a cloth to remove any debris.
- Insert the new Shadow Gunworks Firing Pin Channel Liner into the channel, ensuring it fits securely.
- Reassemble the slide onto the frame.

### 3. PostInstallation Check

- Perform a function check to ensure the firearm operates correctly.
- Store your firearm in a safe location, away from children and unauthorized users.

## Disposal Instructions

- Dispose of any old parts, including the previous firing pin channel liner, in accordance with local regulations.

- Do not dispose of the product in household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the Firing Pin Channel Liner or safety inquiries, please reach out to your local authorized dealer or manufacturer. It is important to have an EUbased contact for safety inquiries.

Thank you for your attention to these safety instructions. Your safety and the safe operation of your firearm are our top priorities.
