

CAGE DEVICE - AERO PRECISION CAGE DEVICE FOR GAMMA 556, EPSILON 556, & EPSILON AK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Delivers Extremely Smooth Recoil and Zero Muzzle Flip

The VG6 CAGE (Concussion Altering Gas Expansion) device is one of the top devices for concussion reduction technology. Compatible with the Gamma 556, Epsilon 556, and Epsilon AK devices, the primary goal is to disrupt side concussion without hindering the characteristics of the Gamma 556 and Epsilon 556, and AK devices. A close wrap fit allows the CAGE to disburse gasses conducive to muzzle control and concussion disruption. Made from high quality stainless steel with a black Nitride finish Compatible with the VG6 Gamma 556 and Epsilon 556, and Epsilon AK Weighs 1.4 oz The VG6 CAGE delivers extremely smooth recoil and zero muzzle flip by “bleeding off energy” rather than abruptly losing energy.

Attributes

- Name: [AERO PRECISION CAGE DEVICE FOR GAMMA 556, EPSILON 556, & EPSILON AK](#)
- Manufacturer: [AERO PRECISION](#)
- Product no.: 100024587
- Mfr. No.: APVG100201
- Caliber: 22 Caliber (.223-.224)
- Finish: Black
- Material: Stainless Steel
- Weapon type: AR-15
- Delivery weight: 0.061kg
- Shipping height: 38mm
- Shipping width: 83mm
- Shipping length: 140mm
- UPC: 815421020342

Safety Instruction Guide for VG6 CAGE Device

Introduction

Thank you for choosing the VG6 CAGE Device. This product is designed to enhance your shooting experience by reducing concussion without compromising the performance of your firearm. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you are familiar with your firearm and its operation before using the VG6 CAGE Device.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Follow all local laws and regulations regarding the use of firearms and accessories.
- Store the VG6 CAGE Device in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the VG6 CAGE Device for any signs of damage or wear before each use.
- If you notice any defects or issues, do not use the device and contact a qualified gunsmith for evaluation.

Specific Safety Precautions for Use

- Only use the VG6 CAGE Device with compatible models: Gamma 556, Epsilon 556, and Epsilon AK.
- Ensure that the device is properly installed and secured before firing your firearm.
- Do not modify the VG6 CAGE Device or use it in any manner not intended by the manufacturer.
- Always wear appropriate hearing protection when firing your firearm equipped with the VG6 CAGE Device.
- Be aware of your surroundings and ensure that there are no people or animals in the vicinity when firing.

Instructions for Installation and Usage

Installation:

1. Ensure your firearm is unloaded and pointed in a safe direction.
2. Remove the existing muzzle device, if applicable, using the appropriate tools.
3. Clean the muzzle threads of your firearm to ensure proper fit.
4. Align the VG6 CAGE Device with the muzzle threads and handtighten it.
5. Use a wrench to securely tighten the device, being careful not to overtighten.
6. Verify that the device is properly installed and does not wobble.

Usage:

1. Load your firearm according to the manufacturer's instructions.
2. Check that the VG6 CAGE Device is secure before firing.
3. Fire your firearm in a safe environment, following all safety protocols.
4. After use, inspect the VG6 CAGE Device for any signs of damage or wear.

Disposal Instructions

- Dispose of the VG6 CAGE Device in accordance with local regulations regarding metal and firearm accessories.
- Do not dispose of the device in regular household waste.
- If you are unsure about proper disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For any questions or concerns regarding the VG6 CAGE Device, please reach out to the manufacturer or your point of purchase for assistance. It is essential to have a reliable contact for safety inquiries.

Important Reminders

- Report any unsafe products or accidents to the relevant authorities.
- Stay updated on recall information through the EU's Safety Gate platform.
- Keep this safety instruction guide for future reference.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the VG6 CAGE Device!
