[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Drop-In Upgrade Kit Takes Your M&P s Trigger from Factory to Fantastic!

Apex Tactical's Aluminum Action Enhancement Trigger Kit will give your S&W M&P .45 and M2.0 a smoother, lighter, cleaner (5 to 5-1/2 lb.) trigger pull that's significantly more consistent factory trigger. It also lessens pre- and over-travel by as much 20%, while the rounded machined aluminum trigger shoe provides a comfortable, secure contact point for the trigger finger. The Apex S&W M&P .45 and M2.0 Aluminum Action Enhancement Trigger Kit includes trigger, heavy-duty sear spring, machined sear, duty/carry spring set, Ultimate Striker Block Kit, and slave pin for installing trigger return spring. Keeps safe trigger pull weight for duty/carry applications Center mounted pivoting safety maintains factory safety values Fits S&W M&P pistols in .45 ACP and the M2.0 NOT for use in M&P 9mm/.40, M&P Shield, or .22 LR models The Apex Aluminum Action Enhancement Trigger Kit for M&P 9mm/.40 is designed to drop in and normally should not require further gunsmithing. For those inexperienced with working on triggers, armorer or gunsmith installation is recommended.

Safety Instruction Guide for S&W M&P M2.0 Aluminum Action Enhancement Trigger & Duty/Carry Kit

Introduction

Thank you for choosing the S&W M&P M2.0 Aluminum Action Enhancement Trigger & Duty/Carry Kit from Apex Tactical Specialties Inc. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that you fully understand the operation of your firearm and its components before using this product.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Keep firearms pointed in a safe direction at all times.
- Store firearms and ammunition in a secure location, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure a safe backdrop when handling your firearm.
- Regularly check for product recalls and safety notices through official channels.

Specific Safety Precautions for Use

- This trigger kit is designed specifically for S&W M&P .45 and M2.0 models. It is **not** compatible with M&P 9mm/.40, M&P Shield, or .22 LR models.
- Ensure that the firearm is unloaded before beginning installation.
- Use caution when handling the trigger and its components to avoid injury.
- If you are inexperienced with firearm modifications, seek assistance from a qualified armorer or gunsmith.
- The trigger pull weight is designed to be safe for duty and carry applications; do not attempt to modify it further.
- Always perform a function check after installation to ensure that the trigger operates correctly.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather required tools, including a punch set and a small hammer.

2. Disassembly of the Firearm:

- Follow the manufacturer's instructions to disassemble your S&W M&P .45 or M2.0.
- Remove the factory trigger and associated components carefully.

3. Installation of the Apex Trigger Kit:

- Install the Apex Aluminum Action Enhancement Trigger according to the provided instructions.
- Replace the heavyduty sear spring, machined sear, and duty/carry spring set as specified in the kit.
- Use the Ultimate Striker Block Kit and slave pin for the trigger return spring installation.

4. Reassembly:

- Carefully reassemble your firearm following the manufacturer's guidelines.
- Ensure that all components are properly seated and secured.

5. Function Check:

- Perform a function check to verify that the trigger operates correctly and safely.
- Check for any signs of malfunction or unusual resistance.

Usage Instructions

- Always follow safe handling practices when using your firearm with the new trigger.
- Be aware of your shooting environment and ensure it is safe for shooting.
- Regularly inspect your firearm and the trigger kit for wear or damage.

Disposal Instructions

- Dispose of any packaging materials and old trigger components responsibly.
- Follow local regulations for disposing of firearm parts and materials.

Contact Information for Further Support

For any inquiries or concerns regarding the S&W M&P M2.0 Aluminum Action Enhancement Trigger & Duty/Carry Kit, please refer to the manufacturer's contact points or official website for assistance.

This guide is designed to help you use the S&W M&P M2.0 Aluminum Action Enhancement Trigger & Duty/Carry Kit safely and effectively. Always prioritize safety and responsible firearm use.
