

BORE BOSS HANDGUN KIT - REAL AVID 10MM/40 CALIBER BORE BOSS KIT

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Snakes](#)

Keeps Pistols Clean in the Field

The Real Avid Bore Boss Handgun Kit provides handgun users with a tool that allows them to ensure that their gun is always ready to go, with an easy-to-use kit that cleans fast and effectively. The Real Avid Bore Boss Handgun Kit features two elements that both work in tandem. The one-piece cable features an integrated bronze bore brush along with a braided mop end that works to wipe out material that the brush scrubs from the bore walls. Pistol cable measures 12 inches long 8.5-inch long braided mop Small enough to fit in a pocket The Real Avid Bore Boss Handgun Kit also comes equipped with the company's Flex-Case handle, which provides users with an easy storage solution as well as a secure handle for pulling the cable through the bore.

BORE BOSS HANDGUN KIT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Real Avid Bore Boss Handgun Kit. This kit is designed to help you maintain your handgun, ensuring it is always ready for use. It is important to follow the safety guidelines outlined in this document to ensure safe and effective use of the product.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Use the Bore Boss Handgun Kit only for its intended purpose, which is to clean handguns with calibers of 41 Caliber (.410.412) and 40/10 mm (.400.401).
- Keep the kit out of reach of children and vulnerable individuals.
- Inspect the kit before each use to ensure it is in good condition. Do not use if damaged.
- If you experience any issues or have concerns about the product, discontinue use and seek assistance.

Specific Safety Precautions for Use

- Always ensure the handgun is unloaded before cleaning.
- Avoid using the Bore Boss Handgun Kit in a confined space where fumes may accumulate.
- Do not pull the cable too forcefully, as this may damage the kit or the handgun.
- Use the integrated bronze bore brush and braided mop as instructed to prevent injury or damage.
- Do not use the kit with any other caliber than specified, as this may lead to ineffective cleaning or damage.

Instructions for Installation and Usage

1. Preparation:

- Ensure the handgun is unloaded and pointed in a safe direction.
- Gather all components of the Bore Boss Handgun Kit: the onepiece cable, bronze bore brush, and braided mop.

2. Cleaning Process:

- Insert the bronze bore brush into the bore of the handgun.
- Pull the cable through the bore slowly and steadily to scrub the bore walls.
- After scrubbing, use the braided mop end to wipe out any remaining material.
- Repeat if necessary until the bore is clean.

3. Storage:

- After use, clean the components if needed and store the kit in the FlexCase handle for safe keeping.
- Ensure the kit is stored in a dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any worn or damaged components of the Bore Boss Handgun Kit in accordance with local regulations.
- Do not dispose of the kit in regular household waste if it contains hazardous materials.
- Check with local waste management for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the BORE BOSS HANDGUN KIT, please refer to the manufacturer's website or customer support channels. Always ensure you have the product details on hand when seeking assistance.

By following these safety instructions, you can ensure the safe and effective use of the Real Avid Bore Boss Handgun Kit. Thank you for your attention to these important guidelines.
