

ACTION ENHANCEMENT KIT FOR GLOCK® - APEX TACTICAL SPECIALTIES INC ACTION ENHANCEMENT KIT FOR GLOCK-BLUE

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Provided Precision Enhancement of Your Favorite Glock

The Apex Action Enhancement Kit for Glock pistols offers Glock pistol owners a chance to improve a number of qualities in their Glock's trigger pull. The Apex Action Enhancement Kit for Glock pistols directly replaces Glock's factory polymer trigger, and the new design works to improve overall trigger travel, smoothen the pull, provide a clean trigger break and produce a more tactile reset. Built for competition use Features red finish Reduces trigger pull by about 1 pound Factory-implemented safeties are still in place The Apex Action Enhancement Kit for Glock pistols fits Glock G17, G17L, G19, G22, G23, G24, G26, G27, G31, G32, G33, G34 and G35 pistol models. NOT FOR USE IN GEN 5 GLOCKS

Action Enhancement Kit for Glock Safety

Instruction Guide

Introduction

Thank you for choosing the Apex Action Enhancement Kit for Glock pistols. This kit is designed to enhance the performance of your Glock's trigger pull. To ensure your safety and the proper functioning of your firearm, please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Store your firearm and ammunition in a secure place, out of reach of children and unauthorized users.
- Regularly inspect your firearm for any signs of wear or damage.
- Always use appropriate safety gear when handling firearms.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing the Action Enhancement Kit.
- Only use the kit with compatible Glock models: G17, G17L, G19, G22, G23, G24, G26, G27, G31, G32, G33, G34, and G35. This kit is NOT FOR USE in GEN 5 GLOCKS.
- Be aware that the kit reduces trigger pull by approximately 1 pound, which may affect your shooting technique.
- Do not modify or alter the kit in any way, as this may compromise safety and performance.
- Ensure that factory-implemented safeties remain in place after installation.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure your Glock pistol is unloaded and pointed in a safe direction.
- Gather necessary tools: a punch tool, hammer, and the Apex Action Enhancement Kit.

2. Disassembly:

- Remove the slide from the frame of the Glock.
- Carefully remove the factory polymer trigger using the punch tool and hammer.

3. Installation:

- Insert the new trigger from the Apex Action Enhancement Kit into the frame.
- Ensure that all components are properly seated and aligned.
- Reassemble the slide onto the frame of the Glock.

4. Testing:

- After installation, perform a function check to ensure the trigger operates correctly.
- Test the trigger in a safe environment before using the firearm for live shooting.

Usage Instructions

- Always follow the manufacturer's guidelines for safe shooting practices.
- Be aware of your surroundings and ensure that you are in a safe location when using your firearm.
- Regularly practice safe handling and shooting techniques to maintain proficiency.

Disposal Instructions

- Dispose of the kit and any packaging materials in accordance with local regulations.
- Do not dispose of the kit in regular household waste. Check for local hazardous waste disposal programs.

Contact Information for Further Support

For any safety inquiries or support regarding the Apex Action Enhancement Kit for Glock, please refer to the manufacturer's website or contact their customer support directly.

Thank you for prioritizing safety and responsible firearm handling. Enjoy your enhanced shooting experience!
