The Fix for a Spring That Has Sprung or (Worse!) Broken

Tandemkross's replacement firing pin rebound springs for Ruger® Mark-series pistols meet factory specs for tension and fit in the gun. The popular Ruger .22 LR "Mark" pistols are prized for their strength and reliability, but in time any spring will wear out, become weak, or even break. When that happens to your the firing pin rebound spring of your Mark I / II / III / IV pistol, restore its function with a Tandemkross replacement. Meets factory specs for correct spring force Easy, drop-in installation - no tools needed Sold in a pack of 5 Having a pack of Tandemkross replacement firing pin rebound springs in your range bag means a shooting session doesn't have to be scrubbed for lack of a simple, inexpensive, easy-to-install part. Fits the following pistols: Ruger® Mark I™ Ruger® Mark II™ Ruger® Mark II™ 22/45™ Ruger® Mark III™ Ruger® Mark III™ 22/45™ Ruger® Mark III™ 22/45™ Lite Ruger® Mark IV™ Target Ruger® Mark IV™ Hunter Ruger® Mark IV™ Competition Ruger® Mark IV™ 22/45™ Tactical Ruger® Mark IV™ 22/45™ Lite

RUGER® MARK SERIES REBOUND SPRINGS

SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Tandemkross Rebound Springs for your Ruger® Markseries pistols. These replacement firing pin rebound springs are designed to meet factory specifications and ensure the reliable operation of your firearm. This guide provides essential safety instructions and precautions to ensure the safe use and maintenance of your product.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Keep your fingers off the trigger until ready to shoot.
- Store your firearm and ammunition in a secure location, out of reach of children.
- Regularly inspect your firearm for any signs of wear or damage, including the firing pin rebound springs.
- Familiarize yourself with your firearm's manual and safety features.

Specific Safety Precautions for Use

- Only use Tandemkross replacement firing pin rebound springs in Ruger® Markseries pistols.
- Ensure the firearm is unloaded before performing any maintenance or installation.
- Wear safety glasses when working on your firearm to protect your eyes from potential hazards.
- If you experience any malfunctions or unusual behavior from your firearm, cease use immediately and consult a qualified gunsmith.
- Keep the work area clean and organized to avoid losing small parts.

Instructions for Installation and Usage

1. Preparation:

- Ensure your Ruger® Markseries pistol is unloaded and pointed in a safe direction.
- Gather necessary tools (if any) and ensure you have adequate lighting.

2. Removing the Old Spring:

- Follow the manufacturer's instructions for disassembling your firearm to access the firing pin assembly.
- Carefully remove the old firing pin rebound spring. Take note of its orientation for reinstallation.

3. Installing the New Spring:

- Take one of the Tandemkross replacement firing pin rebound springs from the pack.
- Install the new spring in the same orientation as the old spring was removed.
- Ensure the spring is seated properly to avoid any operational issues.

4. Reassembly:

- Reassemble your firearm according to the manufacturer's instructions.
- Verify that all components are securely in place.

5. Testing:

- Conduct a function check to ensure that the firearm operates correctly with the new spring.
- Perform this check in a safe environment, following all firearm safety rules.

Disposal Instructions

- Dispose of old springs and any packaging materials responsibly.
- Follow local regulations for the disposal of firearm parts and materials.
- If unsure about disposal methods, consult local waste management authorities.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please reach out to the appropriate contact point in your region. Ensure you have the product details ready for a more efficient response.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of your Tandemkross Rebound Springs for Ruger® Markseries pistols. Always prioritize safety and responsible firearm handling. Thank you for choosing Tandemkross, and enjoy your shooting experience!
