

# AR-15 AIRBORNE CHARGING HANDLE - GEISSELE AUTOMATICS

## AIRBORNE CHARGING HANDLE DDC

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

### Won't Interfere With Optic or Other Gear - Still Easy To Operate

Geissele developed its Airborne Charging Handle (ACH) with a low-profile lever that's less likely to get snagged on vegetation and other gear. Geissele designed the ACH at the specific request of an "elite" unit of the United States armed forces so it won't interfere with a red dot sight or similar low-mounted optic. The ambidextrous Airborne Charging Handle's low profile doesn't mean you have to compromise accessibility or ease of use. The ACH's shortened levers have gently concaved radius cuts in both the vertical and horizontal planes so the hand can get a secure purchase. Geissele even gave the ACH lever checkered surfaces to ensure a positive gripping surface, even when your hands are wet or you're wearing gloves. Reliable ambidextrous operation

Extra-strong machined 7075 T6 aluminum Type III hardcoat anodized

Available in basic Black or Geissele's Desert Dirt Color (DDC) As an added benefit, the Geissele Airborne Charging Handle comes with a raised lip at the aft end that redirects gas blow back away from the shooter when using short-barreled or suppressed weapon systems.

### Attributes

- Name: [GEISSELE AUTOMATICS AIRBORNE CHARGING HANDLE DDC](#)
- Manufacturer: [GEISSELE AUTOMATICS](#)
- Product no.: 100025737
- Mfr. No.: 05-497S
- Finish: DDC
- Hand: Ambidextrous
- Weapon type: AR-15
- Delivery weight: 0.068kg
- Shipping height: 25mm
- Shipping width: 102mm
- Shipping length: 229mm
- UPC: 817953022238

### Item details

Made in USA

US export classification: 0A501.x

# Safety Instruction Guide for the AR15 Airborne Charging Handle

## Introduction

Thank you for choosing the Geissele Automatics Airborne Charging Handle (ACH). This guide provides essential safety instructions and usage guidelines to ensure safe handling and operation of your charging handle. Please read this manual carefully before use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always treat firearms with respect and follow the basic rules of firearm safety.
- Keep the charging handle and all firearm components away from children and unauthorized users.
- Regularly inspect the charging handle for signs of wear or damage before use.
- If you notice any defects or issues, do not use the product. Contact a qualified gunsmith for evaluation.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or adjusting the charging handle.
- Do not attempt to modify the charging handle or any firearm component.
- When using the ACH, maintain a firm grip to prevent slippage, especially in wet conditions or while wearing gloves.
- Be aware of your surroundings and ensure a safe shooting environment when using firearms equipped with the ACH.
- Use the charging handle only with compatible AR15 platforms to avoid malfunctions.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation:

- Ensure your firearm is pointed in a safe direction and is unloaded.
- Gather necessary tools, such as a punch tool or hammer if required for your specific model.

#### 2. Remove the Existing Charging Handle:

- Pull back the upper receiver's charging handle latch.
- Slide the existing charging handle out of the receiver.

#### 3. Install the Airborne Charging Handle:

- Align the new ACH with the receiver.
- Slide the ACH into the receiver until it is fully seated.
- Ensure that the lever is positioned correctly for ambidextrous operation.

#### 4. Check Functionality:

- Pull back on the charging handle to ensure smooth operation.
- Verify that the handle locks into place securely.

## **Usage**

- To operate the ACH, grasp the lever firmly and pull it back to charge the firearm.
- The lowprofile design allows for easy access without obstructing your line of sight.
- Ensure that your grip is secure, especially in adverse conditions.

## **Disposal Instructions**

- Dispose of the charging handle in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the charging handle in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or product support, please refer to the official Geissele Automatics website or contact your local distributor. Always ensure you have the latest information regarding product recalls and safety notices.

By following these guidelines, you can ensure the safe and effective use of your Geissele Automatics Airborne Charging Handle. Thank you for your commitment to safety.
