

MS1 QDM Sling - MAGPUL MS1 QDM SINGLE/TWO-POINT RIFLE SLING BLACK

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

Quick Disconnect Swivel

The Magpul QDM is a heavy-duty replacement for a standard pushbutton swivel, and features a low-profile design, the ability for single handed manipulation, a corrosion resistant Melonite finish, and a 1-1/14" Proprietary weave wide nylon webbing sling. This sling system not only provides the strength, speed, and security of Magpul QDM hardware, but is also optimized for dedicated two-point sling functionality built around the streamlined MS1 Slider. This set allows for quick adjustments without fear of slippage or snag hazards. The Magpul MS1 QDM Sling retains all of the original MS1 functionality and is fully adaptable for one-point applications with a series of adapters (sold separately) based on the MS3® and MS4® Slings. Tested in multiple scenarios and locations, in all types of conditions, the sling went without any slippage for 72 hours! Dedicated two-point sling that can be configured for one-point functionality with optional adapters Secure and rapid length adjustment with MS1® Slider Freely rotating bale keeps from tails, loops, or other potential snag hazards Available in black or coyote The Magpul MS1 QDM Sling is about as versatile as it gets when it comes to selecting a sling. It's a durable sling with a low-profile design that would be a great addition to any rifle! The Magpul MS1 QDM Sling is made in the U.S.A. and is fully Berry Amendment compliant.

MS1 QDM Sling Safety Instruction Guide

Introduction

Thank you for choosing the MS1 QDM Sling by Magpul. This guide provides essential safety instructions and information to ensure safe and effective use of your rifle sling. Please read this guide thoroughly before use to familiarize yourself with the product and its features.

General Safety Guidelines

- Ensure that the sling is used only with compatible firearms.
- Always check the sling for any signs of wear or damage before each use.
- Do not exceed the weight limit of the sling; refer to the specifications for details.
- Keep the sling away from children and individuals who are not trained in firearm safety.
- Report any unsafe product experiences to the appropriate authorities.

Specific Safety Precautions for Use

- **Secure Attachment:** Ensure that the sling is properly attached to your firearm before use. Follow the installation instructions carefully.
- **Avoid Snag Hazards:** Be aware of your surroundings to prevent the sling from snagging on objects, which could lead to accidental discharge or injury.
- **Proper Adjustment:** Adjust the length of the sling using the MS1 Slider for a secure fit. Ensure that there is no excessive slack that could cause entanglement.
- **SingleHanded Manipulation:** Practice using the sling's singlehanded adjustment feature in a safe environment to become familiar with its operation.
- **Corrosion Resistance:** Although the sling features a corrosionresistant finish, regularly inspect it for signs of wear, especially after exposure to harsh conditions.

Instructions for Installation and Usage

1. Installation:

- Attach the sling to the pushbutton swivel on your firearm.
- Ensure that the attachment points are secure and that the sling is not twisted.
- If using adapters for onepoint functionality, follow the specific installation instructions provided with the adapters.

2. Usage:

- Adjust the sling length using the MS1 Slider to fit your body comfortably.
- Ensure that the sling is securely positioned on your shoulder to prevent slipping.
- Practice transitioning between onepoint and twopoint configurations in a controlled environment.
- When not in use, store the sling in a dry location away from direct sunlight to prevent deterioration.

Disposal Instructions

- Dispose of the sling responsibly in accordance with local regulations.
- If the sling is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the sling in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For further assistance or inquiries regarding safety and usage of the MS1 QDM Sling, please refer to the manufacturer's website or contact your local retailer.

Thank you for prioritizing safety and responsible use of your MS1 QDM Sling.
