

MS1 QDM Sling - MAGPUL MS1 QDM SINGLE/TWO-POINT RIFLE SLING COYOTE

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

Quick Disconnect Swivel

The Magpul QDM is a heavy-duty replacement for a standard pushbutton swivel, and features a low-profile design, the ability for single handed manipulation, a corrosion resistant Melonite finish, and a 1-1/14" Proprietary weave wide nylon webbing sling. This sling system not only provides the strength, speed, and security of Magpul QDM hardware, but is also optimized for dedicated two-point sling functionality built around the streamlined MS1 Slider. This set allows for quick adjustments without fear of slippage or snag hazards. The Magpul MS1 QDM Sling retains all of the original MS1 functionality and is fully adaptable for one-point applications with a series of adapters (sold separately) based on the MS3® and MS4® Slings. Tested in multiple scenarios and locations, in all types of conditions, the sling went without any slippage for 72 hours! Dedicated two-point sling that can be configured for one-point functionality with optional adapters Secure and rapid length adjustment with MS1® Slider Freely rotating bale keeps from tails, loops, or other potential snag hazards Available in black or coyote The Magpul MS1 QDM Sling is about as versatile as it gets when it comes to selecting a sling. It's a durable sling with a low-profile design that would be a great addition to any rifle! The Magpul MS1 QDM Sling is made in the U.S.A. and is fully Berry Amendment compliant.

MS1 QDM Sling Safety Instructions

Introduction

Thank you for choosing the Magpul MS1 QDM Sling. This guide provides essential safety instructions to ensure the safe and effective use of your sling. Please read this document carefully before using the product.

General Safety Guidelines

- Always inspect the sling before each use for any signs of wear, damage, or defects.
- Ensure that the sling is securely attached to your firearm before use.
- Do not exceed the recommended weight limit for the sling.
- Keep the sling away from sharp objects and extreme heat sources.
- Store the sling in a dry, cool place when not in use.
- Use the sling only for its intended purpose, which is to support your firearm.

Specific Safety Precautions for Use

- When adjusting the sling length, ensure that there are no obstructions that could cause snagging or entanglement.
- Always maintain a firm grip on the firearm while using the sling to prevent accidental discharge.
- Be aware of your surroundings and ensure that the firearm is pointed in a safe direction at all times.
- If using optional adapters for onepoint functionality, ensure they are properly installed and secured.
- Avoid using the sling in situations where it could become a tripping hazard.

Instructions for Installation and Usage

Installation

1. Attaching the Sling to the Firearm:

- Locate the pushbutton swivel on your firearm.
- Insert the QDM attachment point into the swivel until it clicks into place.
- Ensure that the attachment is secure by pulling gently on the sling.

2. Adjusting the Sling Length:

- To shorten the sling, pull the adjustment strap towards the sling body.
- To lengthen the sling, pull the adjustment strap away from the sling body.
- Ensure that the adjustment is made smoothly and that the sling does not slip during use.

Usage

- When using the sling in a twopoint configuration, ensure that both attachment points are secure.
- For onepoint configuration, attach the sling to the designated point on your firearm using the optional adapter.
- Adjust the sling for comfort and accessibility, ensuring that it allows for quick transitions between carry positions.
- Regularly check the attachment points during use to ensure they remain secure.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged beyond repair, consider recycling the materials where possible.

- Do not dispose of the sling in regular household waste if it can be recycled.

Contact Information for Further Support

For any questions or concerns regarding the Magpul MS1 QDM Sling, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for prioritizing safety while using the Magpul MS1 QDM Sling. Your adherence to these guidelines ensures a secure and enjoyable experience with your product.
