# Safety Instruction Guide for 9MM MAGPUMP HOPPER FED DOUBLE STACK MAGAZINE LOADER

## Introduction

Thank you for choosing the 9MM MAGPUMP HOPPER FED DOUBLE STACK MAGAZINE LOADER. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before use to understand the safety guidelines and operational procedures.

## General Safety Guidelines

- Ensure that the loader is used only for its intended purpose of loading 9mm double stack magazines.
- Always handle ammunition and magazines with care to avoid accidents.
- Keep the loader out of reach of children and unauthorized users.
- Regularly inspect the loader for any signs of wear or damage before use.
- Follow all local laws and regulations related to ammunition and firearm handling.

## Specific Safety Precautions for Use

- Always wear safety glasses when using the loader to protect your eyes from potential debris.
- Do not attempt to load damaged or defective magazines, as this may lead to malfunction.
- Avoid placing your fingers or hands near the hopper during operation to prevent injury.
- Do not exceed the recommended capacity of 50 rounds in the hopper.
- Ensure the loader is stable and secure on a flat surface during use.

## Instructions for Installation and Usage

### 1. Setting Up the Loader

- Place the loader on a stable, flat surface.
- Ensure that the hopper is clean and free from any obstructions.

### 2. Loading the Hopper

- Open the hopper lid and dump up to 50 rounds of loose 9mm Luger ammunition into the hopper.
- Close the hopper lid securely before proceeding.

### 3. Inserting the Magazine

- Select the appropriate magazine retainer for your specific magazine brand (e.g., Sig, Glock, Smith & Wesson, Springfield Armory, Ruger, CZ USA).
- Insert the magazine into the loader, ensuring it is properly seated.

### 4. Actuating the Loader

- Firmly grasp the lever and actuate it to begin loading the rounds into the magazine.
- Each actuation will automatically orient the round for proper loading.

### 5. Completion

- Once the magazine is fully loaded, carefully remove it from the loader.
- Inspect the magazine to ensure it is loaded correctly and securely.

## **Disposal Instructions**

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- If the loader becomes damaged or is no longer in use, dispose of it responsibly. Check local guidelines for proper disposal of nonfood products.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the 9MM MAGPUMP HOPPER FED DOUBLE STACK MAGAZINE LOADER, please refer to the manufacturer's website or customer service resources.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your 9MM MAGPUMP HOPPER FED DOUBLE STACK MAGAZINE LOADER. Always prioritize safety and adhere to local laws and regulations regarding ammunition and firearms. Thank you for your attention to these important guidelines.
