

# VUDU 1-6X24MM FFP ILLUMINATED RIFLE SCOPE - VUDU 1-6X24MM FFP ILLUMINATED RED SR1 MRAD BLACK W/MOUNT

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The EOTech Vudu 1-6x24 is a compact, yet fully loaded rifle scope designed to meet - and exceed - the expectations of the 3-Gun competitor and serious hunter. Starting with a rugged, 30mm aluminum tube, the Vudu 1-6x24 is equipped with the EOTech's AR-coated glass for superb clarity and definition, backed up by a surgically precise turret system to help you make that critical long-range shot. The EOTech Speed Ring reticle permits fast target engagement at low power, but at higher power provides the resolution and accuracy required to tackle longer shots. This is a first focal plane reticle, so the Vudu 1-6x24 easily delivers split-second ranging at all magnification levels. Great for CQB to medium-range targeting, the EOTech Vudu 1-6x24 scope is right at home on your favorite AR-15 or even a traditional bolt action. Hunting, 3-gun competition, home defense, or literally bringing home the bacon - the Vudu 1-6x24 gets the job done.

## Attributes

- Name: [VUDU 1-6X24MM FFP ILLUMINATED RED SR1 MRAD BLACK W/MOUNT](#)
- Manufacturer: [EOTECH](#)
- Product no.: 100027329
- Mfr. No.: VDU16FFSR1MNT
- Adjustment Click: -
- Battery: CR-2032
- Click Value: 0.2 MRAD
- Click Value: 0.2 MRAD
- Eye Relief: 3.20",4.0"
- Finish: Matte Black
- Illumination: Yes
- Length: 10.6"
- Max Magnification: 6x
- Min. Magnification: 1x
- Model Number: Vudu
- Objective Size: 24mm
- Tube Size: 30mm
- Weight: 19.8 oz
- Záměrná osnova: SR-1
- Štěrbinová závěrka: První
- Delivery weight: 1.179kg

## Item details

This product contains a battery.  
US export classification: 0A504.a

# VUDU 16X24MM FFP ILLUMINATED RIFLE SCOPE SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the EOTech VUDU 16X24MM FFP Illuminated Rifle Scope. This guide provides essential safety information and instructions for the proper use and maintenance of your rifle scope. Please read this manual carefully to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

To ensure your safety and the safety of others, please adhere to the following guidelines:

- Always handle the rifle scope with care to avoid damage.
- Ensure that your firearm is always pointed in a safe direction.
- Never look through the scope while the firearm is loaded.
- Keep the scope and firearm out of reach of children and unauthorized users.
- Use the scope only for its intended purpose as described in this manual.
- Regularly inspect the scope for any signs of damage or wear.
- Report any unsafe product incidents to the appropriate authorities.

## Specific Safety Precautions for Use

When using the VUDU 16X24MM FFP Illuminated Rifle Scope, please observe the following precautions:

- **Eye Protection:** Always wear appropriate eye protection when using firearms equipped with the scope.
- **Mounting:** Ensure the scope is securely mounted according to the installation instructions provided. A loose scope can lead to inaccurate shots and potential accidents.
- **Illumination:** The illuminated reticle should only be used in lowlight conditions. Avoid using the illumination feature in bright sunlight to prevent eye strain.
- **Battery:** Use only the specified CR2032 battery for illumination. Improper battery use can cause damage to the scope.
- **Reticle Adjustment:** Make adjustments to the reticle only when the firearm is unloaded and pointed in a safe direction.

## Instructions for Installation and Usage

Follow these steps for the proper installation and use of your rifle scope:

### Installation

#### 1. Mounting the Scope:

- Select a suitable mounting location on your firearm.
- Securely attach the scope rings to the rifle using the provided screws.
- Ensure the scope is level and aligned with the barrel.

#### 2. Inserting the Battery:

- Locate the battery compartment on the scope.
- Insert the CR2032 battery, ensuring the correct polarity is observed.

#### 3. Adjusting the Reticle:

- Use the turret system to make precise adjustments to the reticle.
- Follow the manufacturer's instructions for zeroing your scope.

## Usage

### 1. Powering On:

- Turn on the illumination feature using the designated switch.
- Adjust the brightness to your preference.

### 2. Target Acquisition:

- Use the VUDU Speed Ring reticle for quick target acquisition at lower magnifications.
- For longer shots, increase the magnification as needed.

### 3. Maintaining Eye Relief:

- Maintain the recommended eye relief of 3.20" to 4.0" to prevent injury and ensure a clear sight picture.

### 4. Cleaning and Maintenance:

- Use a soft, lintfree cloth to clean the lenses.
- Store the scope in a dry, cool place when not in use.

## Disposal Instructions

When disposing of the VUDU 16X24MM FFP Illuminated Rifle Scope, follow these guidelines:

- Do not dispose of the scope with regular household waste.
- Check with local regulations for proper disposal methods of electronic devices and batteries.
- Consider recycling options for the scope and its components where available.

## Contact Information for Further Support

For any inquiries, support, or safety concerns regarding your VUDU 16X24MM FFP Illuminated Rifle Scope, please refer to the manufacturer's contact information provided separately.

Thank you for prioritizing safety while using the EOTech VUDU 16X24MM FFP Illuminated Rifle Scope. Enjoy your shooting experience responsibly!
