## Improved Tripod Rifle Saddle

The new HOG Saddle from ShadowTech comes with improvements from the original design. The ShadowTech HOG MOD7 is currently a standard issue item in the US Marine Corps and other various Special Operations Units. CNC'd from a solid block of aluminum the MOD7 opens  $\frac{1}{4}$ -inch wider than previous units (2  $\frac{11}{16}$ -inch wide). It features black oxide stainless steel bolts and guide rods. 1/4-20 stainless steel mounting threads and 3/8-16 back up threads Stainless steel noise dampening tension spring Anti-rotation slots to accept tripod QD plates that have video pins Superior resistance to corrosion Weight: 15.8oz The torque knob is CNC machined with a retention button screw to prevent accidental disassembly. The  $\frac{1}{4}$ -inch thick, recessed urethane pads are specifically engineered to absorb rifle recoil and reduce muzzle jump while maintaining grip on the rifle.

## Attributes

- Name: [SHADOWTECH HOG SADDLE](#)
- Manufacturer: [SHADOWTECH](#)
- Product no.: 100027650
- Mfr. No.: MOD 7

# HOG SADDLE SHADOWTECH HOG SADDLE Safety Instruction Guide

## Introduction

Congratulations on your purchase of the HOG Saddle from ShadowTech. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

To ensure your safety and the safety of others while using the HOG Saddle, please follow these general safety guidelines:

- Always handle firearms with care and follow all local laws and regulations.
- Ensure the HOG Saddle is compatible with your firearm before use.
- Regularly inspect the HOG Saddle for any signs of wear or damage before each use.
- Keep the HOG Saddle and all firearms out of reach of children and unauthorized users.
- Do not modify or alter the HOG Saddle in any way that may affect its performance or safety.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

When using the HOG Saddle, please take the following precautions to minimize risks:

- Ensure that the area is clear of people and obstructions before using the firearm.
- Always use appropriate eye and ear protection when shooting.
- Make sure to securely attach the HOG Saddle to your firearm before use.
- Avoid using the HOG Saddle in adverse weather conditions that may affect its performance.
- Be aware of your surroundings and never point a firearm at anything you do not intend to shoot.

## Instructions for Installation and Usage

To install and use the HOG Saddle safely, please follow these steps:

### 1. Installation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Align the HOG Saddle with the mounting points on your firearm.
- Use the 1/420 stainless steel mounting threads to securely attach the HOG Saddle.
- Tighten the torque knob to ensure a firm fit, but do not overtighten.
- Check that the antirotation slots are properly engaged with the tripod QD plates.

### 2. Usage

- Position the HOG Saddle on a stable surface or tripod.
- Place your firearm securely in the HOG Saddle.
- Adjust the  $\frac{1}{4}$ inch thick, recessed urethane pads to ensure a snug fit.
- Maintain a firm grip on the firearm while preparing to shoot.
- After use, remove the firearm from the HOG Saddle and store it safely.

## Disposal Instructions

When disposing of the HOG Saddle, please follow these guidelines to ensure safe disposal:

- Do not dispose of the HOG Saddle in regular household waste.
- Check local regulations for proper disposal methods for aluminum and metal products.
- Consider recycling the HOG Saddle at a designated recycling facility.

## Contact Information for Further Support

For any inquiries or concerns regarding the HOG Saddle, please reach out to your local retailer or the manufacturer. Ensure you have the product details ready for a more efficient response.

By following these safety instructions, you can enjoy the benefits of the HOG Saddle while ensuring a safe shooting experience. Thank you for choosing ShadowTech.
