

SIG SAUER MPX NLA CHARGING HANDLE - NEXT LEVEL ARMAMENT

SIG SAUER MPX NLA CHARGING HANDLE AMBIDEXTROUS BLACK

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

Full Ambidextrous Operation

Fans of the popular SIG Sauer MPX platform can enhance the controls on their gun by incorporating the Next Level Armament NLA Charging Handle designed specifically for use on the MPX. This unique design incorporates many of the benefits found in the company's other AR-style charging handles, including fully ambidextrous operation and increased surface area for easier racking. The handle also ships with a spring plate made from steel to replace the plastic OEM model found in the gun. The handle is machined from 7075 aluminum and has an all-black finish.

Safety Instruction Guide for SIG SAUER MPX NLA Charging Handle

Introduction

Thank you for choosing the SIG SAUER MPX NLA Charging Handle from Next Level Armament. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new charging handle. It is important to read and understand these instructions before installation and use.

General Safety Guidelines

- Always handle firearms and their components with care and respect.
- Ensure the firearm is unloaded before installing or handling the charging handle.
- Follow all local laws and regulations regarding firearm accessories.
- Use protective eyewear when handling firearms.
- Keep this product away from children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the charging handle is compatible with the SIG Sauer MPX platform before installation.
- Avoid using excessive force when operating the charging handle to prevent damage.
- Regularly inspect the charging handle for signs of wear or damage.
- Do not modify the charging handle in any way, as this may compromise safety and performance.
- If you experience any issues while using the charging handle, cease use immediately and consult a professional.

Instructions for Installation and Usage

Installation

1. Ensure the firearm is completely unloaded.
2. Remove the existing charging handle from the SIG Sauer MPX by following the manufacturer's instructions.
3. Take the Next Level Armament NLA Charging Handle and align it with the charging handle slot on the MPX.
4. Gently slide the charging handle into place until it is securely fitted.
5. Verify that the charging handle operates smoothly before use.

Usage

- To operate the charging handle, grip it firmly and pull back to rack the firearm.
- The ambidextrous design allows for operation from either side, making it suitable for all users.
- Ensure that your hand is clear of the ejection port when racking the firearm.

Disposal Instructions

- Dispose of the charging handle in accordance with local regulations.
- Do not dispose of the charging handle in regular household waste.
- If the charging handle is damaged or no longer in use, consider recycling it at a designated facility.

Contact Information for Further Support

For any questions or concerns regarding the SIG SAUER MPX NLA Charging Handle, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for prioritizing safety and compliance while using your SIG SAUER MPX NLA Charging Handle. Enjoy your enhanced shooting experience!
