Safety Instruction Guide for Redding 338 RCM Neck Die Set

Introduction

Thank you for choosing the Redding 338 RCM Neck Die Set. This guide provides important safety instructions and usage guidelines to ensure safe and effective operation of the product. Please read and follow these instructions carefully.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the die set out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including safety glasses, when using this product.
- Be aware of your surroundings and ensure that the workspace is clean and free from hazards.
- Do not use the die set for purposes other than those intended by the manufacturer.
- Regularly inspect the die set for signs of wear or damage. Discontinue use if any components are damaged.

Specific Safety Precautions for Use

- Handle the dies with care to avoid injury from sharp edges.
- Ensure that the equipment used with the die set is compatible and in good working condition.
- Follow all instructions regarding the setup and operation of the die set to prevent accidents.
- Use only recommended components and materials to avoid malfunction.
- Do not attempt to modify the die set or its components.

Instructions for Installation and Usage

1. Installation

- Ensure that your reloading press is securely mounted and stable.
- Attach the Neck Sizing Die to the reloading press according to the manufacturer's instructions.
- Insert the decapping rod assembly and neck expander button into the Neck Sizing Die.
- Adjust the die to the desired height for proper operation.

2. Usage

- Before beginning, ensure that you have all necessary materials and safety equipment.
- Insert a cartridge case into the reloading press.
- Operate the press to size the neck of the cartridge case using the Neck Sizing Die.
- After sizing, check the dimensions of the neck to ensure it meets specifications.
- Use the Seating Die to properly seat the bullet into the cartridge case, ensuring that the bullet guide and crimp ring are correctly positioned.
- Follow up by using the appropriate seating plug for accurate bullet placement.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Ensure that all materials are disposed of in a safe manner to prevent environmental harm.
- Contact local waste management services for guidance on the disposal of hazardous materials.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the Redding 338 RCM Neck Die Set, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety guidelines. Your safety is our priority.
