

QD MOUNT - ARISAKA DEFENSE M-LOK QD MOUNT

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

Choose Where You Want a QD Sling Attachment Point With Minimal Bulk

Arisaka's QD Mount for KeyMod handguards allows you to place a sturdy quick detach mounting point in the lowest profile possible. The mount uses BCM's patented inverted KeyMod screws keeping the mount secure under high loads while keeping the mount thickness to a scant 0.167" when measured off the mounting surface. Color: Black Fits: KeyMod 7075 Aluminum construction Height: 0.167" Weight: 0.19 oz The Arisaka QD Mount for KeyMod handguards also features an anti-rotation design that allows the QD swivel to rest in 8 different positions.

QD Mount Arisaka Defense MLOK Mount Safety Instruction Guide

Introduction

Thank you for choosing the QD Mount Arisaka Defense MLOK Mount. This product is designed to provide a secure and versatile quick detach mounting point for KeyMod handguards. To ensure your safety and the optimal performance of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always ensure that the QD Mount is installed correctly before use.
- Regularly inspect the mount for any signs of wear or damage.
- Do not exceed the weight limit of the mount to prevent failure.
- Keep this product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Ensure that the mounting surface is clean and free from debris before installation.
 - Use appropriate tools and follow the installation instructions carefully.
- **Weight Limit:**
 - The QD Mount is designed for use with equipment that does not exceed the weight of 0.19 oz.
- **AntiRotation Feature:**
 - Utilize the antirotation design to secure the QD swivel in one of the 8 available positions.
- **Avoid Overloading:**
 - Do not attach items that exceed the recommended load to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Locate the desired position on your KeyMod handguard for the QD Mount.
- Clean the area to ensure a secure fit.
- Align the mount with the KeyMod slots and insert the BCM patented inverted KeyMod screws.
- Tighten the screws securely, ensuring the mount is stable and does not move.
- Verify that the mount is installed at a height of 0.167 inches from the mounting surface.

2. Usage:

- To attach your QD swivel, align it with the antirotation feature of the mount.
- Rotate the swivel to the desired position, ensuring it clicks securely into place.
- Regularly check the mount and swivel connection for any signs of wear or looseness before each use.

3. Maintenance:

- Periodically inspect the mount for any wear, rust, or damage.
- Clean the mount with a soft cloth to remove dirt and debris.
- Replace any damaged components immediately to maintain safety.

Disposal Instructions

- Dispose of the QD Mount in accordance with local regulations.
- Do not dispose of the product with general waste. Check for recycling options in your area.
- Ensure that any electronic components, if applicable, are disposed of properly at designated ewaste facilities.

Contact Information for Further Support
