

IMPACT SPORT ELECTRONIC EARMUFFS - HOWARD LEIGHT IMPACT SPORT ELECTRONIC EARMUFFS PINK

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

Protects Hearing, Amplifies Conversation & Range Commands

The Howard Leigh Impact Sport Electronic Earmuffs offer compact, lightweight electronic hearing protection allowing you to hear conversations and range commands, while blocking out dangerous noises like gunfire. Internal ultra-fast response electronics amplify ambient sounds to a safe 82 decibels (dB), yet shut down when sounds above 82 dB are detected to let the muff's passive hearing protection take over. When the earmuffs are in amplification mode, directionally placed stereo microphones even help you hear where the sound is coming from. Built-in AUX input accepts 1/8" (3mm) stereo plug (patch cable included) to connect an MP3 player, radio, or other audio. The Impact Sport Electronic Earmuffs feature an automatically shut-off that activates after 4 hours to preserve battery life. Bottom half of the low-profile ear cups angles in sharply to ensure plenty of clearance when shouldering long guns. Cups fold up neatly into the adjustable head band for convenient storage.

Safety Instruction Guide for Howard Leight Impact Sport Electronic Earmuffs

Introduction

Thank you for choosing the Howard Leight Impact Sport Electronic Earmuffs. These earmuffs provide essential hearing protection while allowing you to hear conversations and commands in your environment. This guide contains important safety information, usage instructions, and disposal guidelines to ensure your safety and the effective use of this product.

General Safety Guidelines

- Ensure the earmuffs are used in accordance with the manufacturer's instructions.
- Regularly inspect the earmuffs for any damage before each use.
- Keep the earmuffs clean and free from debris to maintain their effectiveness.
- Do not expose the earmuffs to extreme temperatures or moisture.
- Always store the earmuffs in a dry place when not in use.
- If you experience discomfort or irritation while using the earmuffs, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- The earmuffs are designed for adult use; keep them out of reach of children.
- Do not use the earmuffs in environments where the noise exceeds the earmuffs' protection level (22 dB NRR).
- Avoid using the earmuffs while engaging in activities that require full auditory awareness, such as driving or operating machinery.
- Be aware that while the earmuffs amplify ambient sounds, they may not provide complete protection against all loud noises.
- Do not modify or alter the earmuffs in any way, as this may compromise their safety features.

Instructions for Installation and Usage

1. Fitting the Earmuffs:

- Adjust the headband to fit comfortably on your head.
- Ensure that the ear cups fully cover your ears without gaps.

2. Using the Amplification Feature:

- Turn on the earmuffs by pressing the power button.
- Adjust the volume to a comfortable level using the controls on the earmuffs.
- Be mindful of your surroundings and the sounds being amplified.

3. Connecting External Devices:

- Use the builtin AUX input to connect an MP3 player or other audio devices with a 1/8" (3mm) stereo plug.
- Ensure that the audio device is compatible with the earmuffs.

4. Automatic ShutOff:

- The earmuffs will automatically shut off after 4 hours to conserve battery life. Turn them back on

when needed.

5. Storage:

- Fold the ear cups into the adjustable headband for compact storage.
- Store the earmuffs in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of the earmuffs according to local regulations for electronic waste.
- Remove batteries (if applicable) and dispose of them separately in accordance with local battery disposal guidelines.
- Do not dispose of the earmuffs in regular household waste.

Contact Information for Further Support

For any inquiries regarding the safety and use of the Howard Leight Impact Sport Electronic Earmuffs, please refer to the product packaging or visit the manufacturer's website for additional support and information.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using your Howard Leight Impact Sport Electronic Earmuffs.
