# SEND IT SCOPE TUBE MOUNTING RINGS LONG RANGE ARMS 1" Safety Instruction Guide

## Introduction

Thank you for purchasing the Long Range Arms Send It Scope Tube Mounting Rings. These mounting rings are designed to securely attach levels to standard riflescope tubes, enhancing your shooting experience. This guide provides essential safety instructions to ensure safe and effective use of the product.

## General Safety Guidelines

- Always read and understand these safety instructions before using the product.
- Ensure that the mounting rings are compatible with your riflescope tube size (1 inch, 30mm, or 34mm).
- Inspect the mounting rings for any damage before installation. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that the installation area is clean and free from distractions to avoid accidents.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Do not exceed the recommended weight limit for the scope and level combination.
- Ensure that the mounting rings are securely fastened before use to prevent any movement during operation.
- Avoid using the product in extreme weather conditions (e.g., heavy rain, snow, or extreme heat) that may affect performance.
- Do not modify the mounting rings in any way, as this may compromise safety.
- Always handle the product with care to avoid injury from sharp edges.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools for installation, including a screwdriver and any additional mounting hardware.
- Ensure that the work area is welllit and organized.

### 2. Installation Steps

- Select the appropriate mounting rings for your riflescope tube size (1 inch, 30mm, or 34mm).
- Place the mounting rings around the riflescope tube in the desired position (either vertically or horizontally).
- Align the rings with the mounting points on your rifle.
- Use the screwdriver to tighten the screws on the mounting rings securely. Ensure they are fastened evenly to prevent misalignment.
- Doublecheck the stability of the installation by gently shaking the scope to ensure it does not move.

### 3. Usage

- After installation, ensure that the level is properly attached and calibrated according to the manufacturer's instructions.
- Regularly check the tightness of the mounting rings during use to ensure continued safety and performance.

## **Disposal Instructions**

- Dispose of packaging materials in accordance with local recycling regulations.
- If the product has reached the end of its life, dispose of it responsibly. Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the product, please refer to the manufacturer's website or contact their customer service team for assistance. Ensure you have the product information available for a more efficient response.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Long Range Arms Send It Scope Tube Mounting Rings. Thank you for your attention to these important guidelines.
