

# SIDEWINDER THREAD AND TAPER PROTECTOR - AREA 419

## SIDEWINDER THREAD AND TAPER PROTECTOR

[Rifle Parts](#) > [Muzzle Devices](#) > [Thread Protectors](#)

Now that the Area 419 Sidewinder Suppressor Mount is on the market, owners of SilencerCo suppressors and the Area 419 self-timing muzzle brake system can swap back and forth between recoil-reduction and noise-reduction, depending on their needs. Thanks to the unique self-timing system used in the Area 419 Sidewinder Suppressor Mount, users can easily and simply swap between the brake and compatible suppressors without headaches. The adapters are designed to be compact, so the overall length of the entire system is only slightly longer than the suppressor itself. Black-nitride finish Finish treatment prevents galling Blue Loctite recommended for install These particular models of the Area 419 Sidewinder Suppressor Mount fit all SilencerCo Omega, Hybrid and Harvester BIG Bore cans, replacing the end cap on each.

# Safety Instruction Guide for Area 419 Sidewinder Thread and Taper Protector

## Introduction

Thank you for choosing the Area 419 Sidewinder Thread and Taper Protector. This guide provides essential safety information and instructions to ensure the safe and effective use of the product. Please read this guide carefully before use to understand the safety precautions and proper installation procedures.

## General Safety Guidelines

- Ensure that you are familiar with the product and its intended use before operating.
- Always follow the manufacturer's instructions for installation and usage.
- Inspect the product for any damage before each use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- Use the product only with compatible SilencerCo suppressors and Area 419 selftiming muzzle brake systems.
- Ensure that the product is securely attached before use to prevent accidents.
- Do not attempt to modify the product in any way, as this may compromise safety.
- Wear appropriate personal protective equipment (PPE), such as hearing protection, when using firearms equipped with the product.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not exceed the manufacturer's specifications for use.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and components before starting the installation.
- Ensure that the firearm is unloaded and pointed in a safe direction.

### 2. Installation

- Remove the existing end cap from your SilencerCo suppressor.
- Clean the threads of the suppressor to ensure proper fit.
- Apply a small amount of Blue Loctite to the threads of the Area 419 Sidewinder Thread and Taper Protector.
- Carefully screw the protector onto the suppressor until secure. Do not overtighten.
- Allow the Loctite to cure as per manufacturer instructions before using the suppressor.

### 3. Usage

- When using the suppressor with the Area 419 Sidewinder Thread and Taper Protector, ensure that it is properly mounted and secured.
- Switch between recoilreduction and noisereduction modes as needed, following the specific instructions for your setup.
- Regularly check the tightness of the protector during use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local waste management authorities for proper disposal methods for firearm accessories and materials.

## **Contact Information for Further Support**

For inquiries regarding safety, use, and installation of the Area 419 Sidewinder Thread and Taper Protector, please reach out to the manufacturer's customer support or consult the product's official website.

By adhering to these guidelines, you can ensure a safe and enjoyable experience with your Area 419 Sidewinder Thread and Taper Protector. Thank you for your attention to safety.
