DISASSEMBLY & REASSEMBLY GUIDE Ruger Mark III Series 22 Pistols Standard, Target, Government Target, Competition, Hunter and 22/45 Models.

UPC:400100347218 FEATURES: The only current printed manual that includes information on ALL models. Specific disassembly and reassembly instructions for the differences between the Standard and 22/45 models. Easy to use -- Comb binding lies open and flat on your work surface. 19 pages & 36 high-resolution grayscale images. Cardstock cover. Bright white paper. Excerpt from this Guide: This Gun-Guide is a continuation of our very successful Ruger .22 Automatic Pistols - The Complete Guide for all models from 1947 ~2004. For the past 60 years, the Ruger .22 Pistol continues to be the largest selling, most popular .22 autoloading pistol in history. In 2004, Ruger introduced it's next generation of .22 Pistols, The Ruger Mark III; available in Standard, Target, and 22/45 Models. As of 2008, they have sold over 250,000 Mark III Pistols. One the first features you will notice with the Mark III, is the new magazine release located just to the rear of the trigger guard. Ruger also incorporated a new front and rear sights (Hunter Models have micro-adjustable V-notch and HiViz fiber optic sights), an internal locking system, a new contoured ejection port, tapered bolt ears, loaded chamber indicator, a Weaver-style scope base adapter (on all adjustable sight models) and a magazine disconnect. In 2006, Ruger introduced the 22/45 Hunter which featured a fluted barrel and fiber optic sights. Interchangeable "LitePipes" were added in 2007 and were available in 6 colors for the Mark III and 22/45 Hunter Models. New for 2008 is the addition of a Hunter model with Crimson Trace Lasergrips.

# RUGER MARK III ASSEMBLY AND DISASSEMBLY GUIDE

## Introduction

Thank you for choosing the Ruger Mark III. This assembly and disassembly guide is designed to help you safely and effectively operate your Ruger Mark III pistol. Please read this guide thoroughly before use to ensure a clear understanding of the safety precautions and instructions.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure that the firearm is unloaded when not in use or when being cleaned.
- Store firearms in a secure location, out of reach of children and unauthorized users.
- Use appropriate eye and ear protection when using your firearm.
- Be aware of your surroundings and ensure a safe shooting environment.
- Familiarize yourself with the specific features and functions of your firearm.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 years and older. Ensure that younger users are supervised by a responsible adult.
- **Handling:** Always handle your firearm with care and respect. Avoid any actions that could lead to accidental discharge.
- **Ammunition:** Use only the recommended ammunition specified in the Ruger Mark III manual. Using incorrect ammunition can lead to malfunctions or accidents.
- **Maintenance:** Regularly clean and maintain your firearm according to the instructions in this guide to ensure optimal performance and safety.
- **Transportation:** When transporting your firearm, ensure it is unloaded and secured in a proper case.

## Instructions for Installation and Usage

### Assembly Instructions

1. **Inspect Components:** Before assembly, inspect all components for damage or wear.
2. **Insert the Magazine:** Align the magazine with the magazine well and push it in until it clicks.
3. **Load Ammunition:** Load ammunition into the magazine following the manufacturer's instructions.
4. **Chamber a Round:** Pull back the slide to chamber a round, ensuring the firearm is pointed in a safe direction.
5. **Engage Safety:** Ensure the safety is engaged when not in use.

### Disassembly Instructions

1. **Ensure Safety:** Confirm that the firearm is unloaded. Remove the magazine and visually inspect the chamber.
2. **Remove the Slide:** Pull the slide back slightly and push the slide stop pin out to remove the slide.
3. **Take Out the Barrel:** Rotate the barrel latch and pull the barrel out of the frame.
4. **Clean Components:** Clean the frame, slide, and barrel as per the maintenance instructions.

### Reassembly Instructions

1. **Insert the Barrel:** Align the barrel with the frame and rotate the barrel latch to secure it.

2. **Reattach the Slide:** Align the slide with the frame and push it back into place, ensuring it locks securely.
3. **Check Functionality:** After reassembly, check that the firearm operates correctly before use.

## Disposal Instructions

When disposing of your Ruger Mark III or any related components, follow these guidelines:

- **Local Regulations:** Adhere to local laws and regulations regarding firearm disposal.
- **Safe Disposal:** If the firearm is no longer functional, consider turning it in to a local law enforcement agency or a licensed firearms dealer for safe disposal.
- **Environmental Considerations:** Do not dispose of any firearm components in regular trash. Ensure proper recycling or disposal methods are followed.

## Contact Information for Further Support

For any questions, concerns, or additional information regarding your Ruger Mark III, please consult the official Ruger website or contact a licensed firearms dealer. Always ensure that you are seeking information from reputable sources.

By following these guidelines, you can ensure a safe and enjoyable experience with your Ruger Mark III. Always prioritize safety and responsibility when handling firearms.
