

MORRIGAN IWB HOLSTERS - RAVEN CONCEALMENT SYSTEMS FN FN509 IWB HOLSTER

[Home](#)

The Morrigan is a revolutionary concealment holster designed specifically for inside-the-waistband carry. While it can certainly be worn forward of the blade of the hip, the Morrigan is best-suited for people who carry their pistol on or behind the blade of the hip. It has an extremely slim, compact profile so as not to add bulk to the dimensions of the firearm. A full-height body shield protects the weapon from sweat, while simultaneously protecting the shooter from scrapes and discomfort caused by sharp edges on the pistol such as slide serrations. The body shield also fully protects the rear sight from snagging or cutting into cover garments while holstered. The exterior of the Morrigan is very smooth and contoured for all-day comfort, but has special features molded into the trigger guard and muzzle area to aid in tucking the rear of the slide and butt of the grip into the body for greater concealability. Retention is adjustable using the innovative 360-degree Velcro wrap, which provides extremely accurate and repeatable retention adjustments without the use of tools. This "tourniquet style" retention provides a very secure fit while still allowing for exceptionally quick presentations of the weapon from the holster. The Morrigan is ambidextrous. It attaches to the shooter's belt using a pair of IWB soft loops (included). The holster is adjustable for ride height and cant, and can be adjusted to conceal a pistol on a variety of body types. And like all RCS products, the Morrigan is made in the USA, and is covered by our unconditional lifetime warranty.

Attributes

- Name: [RAVEN CONCEALMENT SYSTEMS FN FN509 IWB HOLSTER](#)

Safety Instruction Guide for MORRIGAN IWB HOLSTERS

Introduction

Thank you for choosing the Morrigan IWB Holster by Raven Concealment Systems. This guide provides essential safety instructions to ensure the proper use and maintenance of your holster. Please read this guide carefully to maximize your safety and the effectiveness of the product.

General Safety Guidelines

- **Product Safety:** The Morrigan IWB Holster is designed for safe use with firearms. Ensure you are familiar with the safe handling and operation of your firearm before using this holster.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will be notified through standardized recall notices. Always stay informed about product recalls related to your holster.
- **Online Shopping:** If purchased online, ensure the platform complies with safety regulations to guarantee your product's safety.
- **Special Consumer Focus:** This product is not intended for use by children. Keep the holster and any associated equipment out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to the official EU consumer safety contact points.
- **Rapid Alerts:** Stay updated on product safety through the EU's Safety Gate system, which provides timely alerts on unsafe products.

Specific Safety Precautions for Use

- **Proper Fit:** Ensure the holster fits your firearm model (FN FN509) securely to prevent accidental discharges.
- **Retention Adjustment:** Regularly check the retention mechanism. Adjust the 360degree Velcro wrap to ensure a secure fit, allowing for quick access while maintaining safety.
- **Comfort and Positioning:** Position the holster on or behind the blade of the hip to ensure comfort and concealment. Avoid carrying the firearm in a position that may cause discomfort or restrict movement.
- **Inspection:** Regularly inspect the holster for wear and tear. Replace the holster if there are any signs of damage.
- **Training:** Familiarize yourself with drawing and reholstering your firearm safely while using this holster. Consider taking a training course if you are inexperienced.

Instructions for Installation and Usage

1. Belt Attachment:

- Use the included IWB soft loops to attach the holster to your belt.
- Ensure the loops are securely fastened to prevent the holster from slipping.

2. Adjusting Ride Height and Cant:

- Adjust the holster's ride height and cant to suit your comfort and concealment needs.
- Make adjustments gradually to find the optimal position for your body type.

3. Inserting the Firearm:

- Ensure the firearm is unloaded before inserting it into the holster.
- Carefully slide the firearm into the holster, ensuring it is fully seated and secure.

4. Drawing the Firearm:

- Practice drawing your firearm from the holster in a safe environment.
- Maintain a firm grip on the firearm and ensure your finger is off the trigger until you are ready to shoot.

5. Reholstering:

- Always reholster your firearm with the muzzle pointed in a safe direction.
- Ensure that your clothing and other items do not obstruct the holster when reholstering.

Disposal Instructions

- Dispose of the holster according to local regulations. If the holster is damaged or no longer needed, consider recycling the materials if possible.
- Do not dispose of the holster in a manner that could pose a risk to others or the environment.

Contact Information for Further Support

For additional support or inquiries regarding the Morrigan IWB Holster, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety instructions. Your safety is our priority.
