

# MORRIGAN IWB HOLSTERS - RAVEN CONCEALMENT SYSTEMS S&W M&P SHIELD 9/40 IWB HOLSTER

[Home](#)

The Morrigan is a revolutionary concealment holster designed specifically for inside-the-waistband carry. While it can certainly be worn forward of the blade of the hip, the Morrigan is best-suited for people who carry their pistol on or behind the blade of the hip. It has an extremely slim, compact profile so as not to add bulk to the dimensions of the firearm. A full-height body shield protects the weapon from sweat, while simultaneously protecting the shooter from scrapes and discomfort caused by sharp edges on the pistol such as slide serrations. The body shield also fully protects the rear sight from snagging or cutting into cover garments while holstered. The exterior of the Morrigan is very smooth and contoured for all-day comfort, but has special features molded into the trigger guard and muzzle area to aid in tucking the rear of the slide and butt of the grip into the body for greater concealability. Retention is adjustable using the innovative 360-degree Velcro wrap, which provides extremely accurate and repeatable retention adjustments without the use of tools. This "tourniquet style" retention provides a very secure fit while still allowing for exceptionally quick presentations of the weapon from the holster. The Morrigan is ambidextrous. It attaches to the shooter's belt using a pair of IWB soft loops (included). The holster is adjustable for ride height and cant, and can be adjusted to conceal a pistol on a variety of body types. And like all RCS products, the Morrigan is made in the USA, and is covered by our unconditional lifetime warranty.

## Attributes

- Name: [RAVEN CONCEALMENT SYSTEMS S&W M&P SHIELD 9/40 IWB HOLSTER](#)

# Safety Instruction Guide for MORRIGAN IWB HOLSTERS

## Introduction

Thank you for choosing the Morrigan IWB Holster by Raven Concealment Systems. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your holster. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that the holster is compatible with your firearm model (Smith & Wesson M&P Shield 9/40).
- Always treat your firearm as if it is loaded.
- Keep the holster and firearm out of reach of children and unauthorized persons.
- Inspect the holster regularly for any signs of wear or damage.
- Avoid using the holster if it is damaged or if any components are missing.
- Always follow local laws and regulations regarding the carrying of firearms.

## Specific Safety Precautions for Use

- When wearing the holster, ensure it is positioned securely and comfortably on your body.
- Adjust the retention system to ensure your firearm is held securely but can be drawn quickly when needed.
- Do not attempt to modify the holster or its components in any way.
- Be aware of your surroundings when drawing your firearm from the holster.
- Practice drawing from the holster in a safe environment to become familiar with its operation.
- Ensure that the trigger guard is fully protected and that no part of your body can inadvertently touch the trigger.

## Instructions for Installation and Usage

### 1. Attaching the Holster:

- Use the included IWB soft loops to attach the holster to your belt.
- Adjust the ride height and cant to find the most comfortable position for your body type.

### 2. Adjusting Retention:

- Use the 360degree Velcro wrap to adjust the retention to your preference.
- Test the retention by gently pulling on the firearm to ensure it is secure.

### 3. Wearing the Holster:

- Position the holster on or behind the blade of your hip for optimal concealment.
- Ensure that the body shield is positioned to protect both the firearm and your body from discomfort.

### 4. Drawing the Firearm:

- To draw your firearm, grip the holster with one hand while using your other hand to pull the firearm straight up.
- Practice this motion in a safe environment to ensure a smooth and efficient draw.

## Disposal Instructions

- Dispose of the holster in accordance with local regulations.
- If the holster is damaged beyond repair, ensure it is not usable before disposal to prevent any potential misuse.

## Contact Information for Further Support

For any safety inquiries or further support regarding the Morrigan IWB Holster, please refer to the manufacturer's website or customer service channels.

By following these safety guidelines and instructions, you can ensure the safe use of your Morrigan IWB Holster. Always prioritize safety and responsible firearm handling.
