Safety Instruction Guide for LEE RELOADING STAND BIN AND BRACKET

Introduction

Thank you for choosing the LEE RELOADING STAND BIN AND BRACKET by LEE PRECISION. This product is designed to provide a sturdy and reliable solution for organizing your reloading components. To ensure safe usage and compliance with EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully before use.

General Safety Guidelines

- Always use the product as intended and according to the instructions provided.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Do not modify or alter the product in any way.
- Report any unsafe conditions or accidents involving this product to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the reloading stand is placed on a stable and level surface to prevent tipping.
- Use the fasteners provided to securely mount the bin and bracket to the reloading stand.
- Avoid overloading the bin with excessive weight, which may compromise stability.
- Do not use the product for any purpose other than its intended use, such as holding nonreloading materials.
- Wear appropriate safety gear, such as gloves and safety glasses, when handling reloading components.

Instructions for Installation and Usage

1. Installation of the Bracket:

- Locate the mounting holes on the Lee Reloading Stand.
- Align the steel bracket with the mounting holes.
- Use the provided fasteners to securely attach the bracket to the stand.
- Ensure that the bracket is firmly in place before proceeding.

2. Attaching the Parts Bin:

- Once the bracket is installed, attach the parts bin to the bracket according to the design.
- Ensure that the bin is securely clipped or locked into place.

3. Organizing Components:

- Use the parts bin to store bullets, cases, and loaded rounds.
- Keep similar items together for easy access.
- Regularly check the contents of the bin to ensure that it is not overloaded.

4. General Usage:

- When retrieving or storing items from the bin, do so carefully to avoid spilling or dropping components.
- Always return items to their designated place to maintain organization and safety.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal and plastic waste.
- Do not dispose of the product in household waste.
- Consider recycling the materials if possible.

Contact Information for Further Support

For any inquiries or concerns regarding the safety or usage of this product, please reach out to your local retailer or the manufacturer's customer support team. Ensure that you have the product details at hand when seeking assistance.

By adhering to these guidelines, you can ensure safe and effective use of the LEE RELOADING STAND BIN AND BRACKET. Thank you for your attention to safety and compliance.
