# Safety Instruction Guide for the Fixed Barricade for 12" Arcalock and MPA Rails

## Introduction

Thank you for choosing the Area 419 Fixed Barricade for 12" Arcalock and MPA Rails. This product is designed to enhance your shooting experience by providing a stable and secure barricade. To ensure safe usage and compliance with EU safety regulations, please read and follow this safety instruction guide carefully.

## General Safety Guidelines

- Always ensure the barricade is securely locked in place before use.
- Regularly inspect the barricade for any signs of wear or damage.
- Keep the barricade out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding the use of shooting accessories.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure the barricade is compatible with your specific rail system before installation.
- Avoid using the barricade as a movable stop; it is designed to be fixed in place.
- Use the included 3/32 wrench to adjust the clamp securely.
- Do not exceed the weight limit of the barricade as specified by the manufacturer.
- Always use the barricade in a safe and controlled environment.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the rail is clean and free of debris.
- Slide the Fixed Barricade onto the end of the rail.
- Position the barricade at your desired location on the rail.
- Use the 3/32 wrench to tighten the pinch clamp securely.
- Engage the set screw with one of the ARCALOCK cuts to prevent slippage.

### 2. Usage:

- Once installed, check that the barricade is locked in place before using your equipment.
- Adjust the barricade as needed, but ensure it is securely tightened after each adjustment.
- Do not attempt to move the barricade while it is in use.

## Disposal Instructions

- Dispose of the Fixed Barricade in accordance with local regulations.
- If the product is no longer usable, consider recycling the aluminum material where possible.
- Do not dispose of the barricade in regular household waste if it can be recycled.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding the Fixed Barricade for 12" Arcalock and MPA Rails, please refer to the manufacturer's contact information provided with your product.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation (GPSR). Enjoy your shooting experience responsibly!
