

# SWITCHBLADE PACK - EBERLESTOCK SWITCHBLADE PACK COYOTE BROWN

[Emergency & Survival Gear](#) > [Backpacks & Bags](#) > [Backpacks](#)

The idea that a knife can be safely carried in your pocket, but rapidly deployed is appealing to many. Eberlestock has taken that same concept and put it into its Switchblade pack. A magnetic opening handgun sleeve, now with a Nylex material backing for attaching holsters, is the quickest and safest way to pull a pistol from your pack. This mid-size Switchblade EDC pack keeps a low profile, while maximizing space and organization. Open the top lid pocket and you will find two magazine pouches, and other small organizing features. The front of the pack features an oversized pocket for quick access to your important items. On each side is a pair drawstring cupholder pockets, as well as a side zip pocket, big enough for a spotting scope, small tripod, or other long items. Rare-earth magnetic openings allow quick access to handgun concealed carry pouches from either side of the pack. Loop-velcro PALS webbing inside allows you to rack either MOLLE- or velcro-backed accessories. Interior pockets for hydration bladder, mags, small item organizers, and more. Detachable harness. New MOLLE-10 webbing offers the ability to carry standard 3-row MOLLE accessories, with a 60% weight savings over standard 25mm MOLLE matrixes. Featuring Eberlestock's quick access, grab and go zip-away top, allowing full frontal or top loading access to the main compartment. Inside you will find a document divider for an iPad, laptop, other electronics or even a short-barreled rifle. Additionally, there are elastic sleeves for organizing smaller items that are hydration compatible. On the inside and outside is 10mm MOLLE webbing. It functions the same as traditional MOLLE but weighs 60% less. Nylex material inside allows you to attach hook and loop accessories. Finally the Switchblade pack transforms into an extremely versatile day hunting pack, by simply adding a hipbelt (not included). Furthermore turn it into a load bearing compatible day pack by removing the harness and attaching it to our Carrier Frame using the ACHK or ACHQ Hookup Kit.

# Eberlestock Switchblade Pack Safety Instruction Guide

## Introduction

Thank you for choosing the Eberlestock Switchblade Pack in Coyote Brown. This guide provides essential safety instructions and guidelines to ensure the safe use of your pack. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure the pack is used as intended and in accordance with the manufacturer's instructions.
- Inspect the pack regularly for any signs of wear or damage. Do not use if any components are compromised.
- Keep the pack away from fire, extreme heat, and sharp objects to avoid damage.
- Store the pack in a cool, dry place when not in use to maintain its integrity.
- Be cautious when accessing the handgun sleeve; ensure that the firearm is unloaded and safely secured.
- Always supervise children when using the pack, especially if it contains any accessories or items that may pose a hazard.

## Specific Safety Precautions for Use

### • Handgun Sleeve:

- Ensure the handgun is properly secured in the sleeve and that the magnetic closure is functioning correctly.
- Only access the handgun sleeve in a safe environment, away from others.
- Familiarize yourself with the quick access feature to ensure safe and efficient retrieval of your firearm.

### • Hydration Bladder and Organizers:

- Use only compatible hydration bladders to avoid leaks and ensure proper fit.
- Organize smaller items securely to prevent them from shifting during use, which could lead to accidents.

### • MOLLE Webbing:

- Ensure that any accessories attached to the MOLLE webbing are securely fastened to prevent accidental detachment.
- Be aware of the added weight when attaching additional accessories and adjust your carrying strategy accordingly.

### • Detachable Harness:

- When using the detachable harness, ensure it is properly attached to avoid slippage or detachment during use.
- Adjust the harness to fit your body securely to distribute weight evenly and enhance comfort.

## Instructions for Installation and Usage

### 1. Initial Setup:

- Unpack the Switchblade Pack and ensure all components are included and undamaged.
- Familiarize yourself with the various pockets, compartments, and features of the pack.

## **2. Attaching Accessories:**

- For MOLLEcompatible accessories, align the accessory with the webbing and weave the straps through the webbing to secure.
- For hook and loop accessories, press firmly to ensure a secure attachment to the Nylex material.

## **3. Using the Handgun Sleeve:**

- Open the magnetic flap of the handgun sleeve and insert the handgun, ensuring it is oriented for easy retrieval.
- Close the flap securely to ensure the handgun is protected and concealed.

## **4. Hydration Bladder Installation:**

- Insert the hydration bladder into the designated pocket, ensuring the hose is accessible.
- Secure the bladder and hose to prevent movement during use.

## **5. Adjusting the Detachable Harness:**

- Attach the harness by connecting the clips to the designated points on the pack.
- Adjust the straps for a snug fit, ensuring comfort and stability.

## **6. Loading the Pack:**

- Distribute weight evenly within the pack to maintain balance.
- Use the top lid pocket for frequently accessed items and larger pockets for bulkier gear.

# **Disposal Instructions**

- When disposing of the pack, ensure that all components are recycled or disposed of in accordance with local regulations.
- If the pack is damaged beyond repair, consider donating it to a local organization if safe to do so.

# **Contact Information for Further Support**

For any questions or concerns regarding the Eberlestock Switchblade Pack, please refer to the manufacturer's website or customer service for assistance.

Remember to report any unsafe products or incidents to the appropriate authorities and check for recall updates on the EU Safety Gate platform. Your safety is our priority. Thank you for your attention to these guidelines.
