

SWITCHBLADE PACK - EBERLESTOCK SWITCHBLADE PACK MULTICAM

[Emergency & Survival Gear](#) > [Backpacks & Bags](#) > [Backpacks](#)

The idea that a knife can be safely carried in your pocket, but rapidly deployed is appealing to many. Eberlestock has taken that same concept and put it into its Switchblade pack. A magnetic opening handgun sleeve, now with a Nylex material backing for attaching holsters, is the quickest and safest way to pull a pistol from your pack. This mid-size Switchblade EDC pack keeps a low profile, while maximizing space and organization. Open the top lid pocket and you will find two magazine pouches, and other small organizing features. The front of the pack features an oversized pocket for quick access to your important items. On each side is a pair drawstring cupholder pockets, as well as a side zip pocket, big enough for a spotting scope, small tripod, or other long items. Rare-earth magnetic openings allow quick access to handgun concealed carry pouches from either side of the pack. Loop-velcro PALS webbing inside allows you to rack either MOLLE- or velcro-backed accessories. Interior pockets for hydration bladder, mags, small item organizers, and more. Detachable harness. New MOLLE-10 webbing offers the ability to carry standard 3-row MOLLE accessories, with a 60% weight savings over standard 25mm MOLLE matrixes. Featuring Eberlestock's quick access, grab and go zip-away top, allowing full frontal or top loading access to the main compartment. Inside you will find a document divider for an iPad, laptop, other electronics or even a short-barreled rifle. Additionally, there are elastic sleeves for organizing smaller items that are hydration compatible. On the inside and outside is 10mm MOLLE webbing. It functions the same as traditional MOLLE but weighs 60% less. Nylex material inside allows you to attach hook and loop accessories. Finally the Switchblade pack transforms into an extremely versatile day hunting pack, by simply adding a hipbelt (not included). Furthermore turn it into a load bearing compatible day pack by removing the harness and attaching it to our Carrier Frame using the ACHK or ACHQ Hookup Kit.

Attributes

- Name: [EBERLESTOCK SWITCHBLADE PACK MULTICAM](#)
- Manufacturer: [EBERLESTOCK](#)

SWITCHBLADE PACK EBERLESTOCK SWITCHBLADE PACK MULTICAM

Safety Instruction Guide

Introduction

Thank you for choosing the Eberlestock Switchblade Pack. This guide provides essential safety instructions to ensure safe usage and maintenance of your pack. Please read through this guide thoroughly before using the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the pack by following the guidelines provided in this manual. This product is designed for nonfood use and should not be used in any manner contrary to its intended purpose.
- **Enhanced Recalls:** Stay informed about any product recalls. If a recall notice is issued, follow the instructions for returning or remedying the product.
- **Online Shopping:** If purchased online, ensure that the seller complies with EU safety requirements.
- **Special Consumer Focus:** Keep this product out of reach of children and ensure that it is used only by individuals who understand its features and safety precautions.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate EU contact point provided by the manufacturer.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the EU's Safety Gate platform. Check regularly for any alerts related to this product.

Specific Safety Precautions for Use

- **Hazard Identification:** Ensure that the pack is free from any defects before use. Check for any sharp edges or loose components that may pose a risk.
- **Avoid Overloading:** Do not exceed the weight capacity of the pack. Overloading may cause strain or damage to the pack and may lead to injury.
- **Proper Use of Pockets:** Use designated pockets for specific items. Avoid placing heavy or sharp objects in pockets that are not designed for them.
- **Secure Closures:** Always ensure that zippers and magnetic closures are securely fastened when the pack is in use.
- **Weather Considerations:** Although the pack is designed for durability, avoid exposing it to extreme weather conditions for prolonged periods.

Instructions for Installation and Usage

- **Initial Setup:**

1. Unpack the Switchblade Pack and inspect for any visible damage.
2. Familiarize yourself with the various compartments and pockets.

- **Loading the Pack:**

- Distribute weight evenly within the pack to maintain balance.
- Utilize the interior pockets for organizing smaller items such as magazines and hydration bladders.
- Use the oversized front pocket for quick access to essential items.

- **Adjusting the Harness:**

- Adjust the detachable harness to fit comfortably on your shoulders.

- Ensure that the harness does not impede movement or cause discomfort.
- **Using the Magnetic Handgun Sleeve:**
 - Ensure that the handgun is unloaded before placing it in the magnetic sleeve.
 - Securely attach holsters to the Nylex material backing for safe storage.
- **Detachable Components:**
 - If adding a hipbelt (not included), ensure it is securely attached before use.
 - To convert to a loadbearing pack, remove the harness and attach it to the Carrier Frame using the ACHK or ACHQ Hookup Kit.

Disposal Instructions

- **Recycling:** When the pack reaches the end of its life, dispose of it in accordance with local recycling regulations.
- **Environmental Considerations:** Do not dispose of the pack in regular household waste. Check for designated recycling facilities that accept outdoor gear.

Contact Information for Further Support

For any additional questions or concerns regarding the safety and usage of your Eberlestock Switchblade Pack, please refer to the manufacturer's website or customer support for assistance.

Thank you for prioritizing safety and for choosing the Eberlestock Switchblade Pack. Enjoy your outdoor adventures responsibly!
