### **Lightweight Adapter for Mounting Your Rifle or Spotting Scope To a Tripod**

ShadowTech's MARC M-LOK® plate is engineered to work with both (1.5"/38mm) Arca-Swiss tripod clamps and legacy Manfrotto tripod heads that use RC2/200PL attachment plates, giving you greater tripod mounting options. This Multiuse Arca RC2 Connector (MARC) gives you an ultra-lightweight mounting option with minimalist footprint. Machined aluminum construction for strength without excess weight. Surface wear resistant hardcoat anodized finish 1/4"-20 and 3/8"-16 stainless steel mounting screws. Removable recessed retention bolts. Center bolt capable for cameras and spotting scopes. ShadowTech's MARC M-LOK® plate accommodates Arca-Swiss plate retention slots and Feisol retention plungers. Prevents horizontal movement with Manfrotto tripod heads.

### **Attributes**

- Name: [SHADOWTECH MULTIPURPOSE ARCA RC2 MLOK CONNECTOR](#)
- Manufacturer: [SHADOWTECH](#)
- Product no.: 100032745
- Mfr. No.: MARC-MLOK
- Type: Arca-Swiss

# Safety Instruction Guide for MULTIPURPOSE ARCA RC2 MLOK CONNECTOR

## Introduction

Thank you for choosing the ShadowTech MULTIPURPOSE ARCA RC2 MLOK CONNECTOR (MARC). This guide provides important safety instructions and guidelines to ensure the safe use and maintenance of the product. Please read this document carefully before using the connector.

## General Safety Guidelines

- Ensure that the connector is used only for its intended purpose as described in the product specifications.
- Regularly inspect the connector for any signs of wear, damage, or malfunction before each use.
- Keep the connector out of reach of children and vulnerable individuals.
- Do not use the connector if it appears damaged or has missing parts.
- Follow all local regulations regarding the use and disposal of the product.

## Specific Safety Precautions for Use

- Always ensure that the tripod or mounting surface is stable and secure before attaching your equipment.
- Do not exceed the recommended weight limit for the connector. Check the specifications to ensure your equipment is within the safe range.
- When attaching or detaching equipment, do so in a controlled environment to prevent accidental drops or injuries.
- Avoid using the connector in extreme weather conditions, such as heavy rain or strong winds, which may compromise stability.
- Use caution when adjusting or repositioning your equipment to avoid pinching or injury.

## Instructions for Installation and Usage

### 1. Installation of the Connector:

- Ensure that the tripod or mounting surface is stable and secure.
- Align the connector with the ArcaSwiss tripod clamp or Manfrotto tripod head.
- Secure the connector using the provided 1/4"20 and 3/8"16 stainless steel mounting screws.
- Tighten the screws firmly, but do not overtighten, as this may damage the connector or the mounting surface.

### 2. Using the Connector:

- Attach your camera or spotting scope to the connector by aligning it with the retention slots.
- Ensure that the equipment is securely fastened and that all retention bolts are tightened.
- Adjust the equipment as needed while ensuring that it remains stable and secure on the connector.
- After use, detach your equipment carefully and store the connector in a safe place.

## Disposal Instructions

- Dispose of the connector and its components in accordance with local waste disposal regulations.
- Do not dispose of the connector in household waste. Instead, use designated recycling facilities if available.
- Remove any batteries or electronic components, if applicable, and dispose of them according to local regulations.

## **Contact Information for Further Support**

For any questions or concerns regarding the MULTIPURPOSE ARCA RC2 MLOK CONNECTOR, please consult the manufacturer or retailer from whom you purchased the product. Ensure to have the product information ready for reference.

Thank you for prioritizing safety while using the ShadowTech MULTIPURPOSE ARCA RC2 MLOK CONNECTOR. Your attention to these guidelines will help ensure a safe and enjoyable experience.
