M&P™ 1522 Extractor Plunger Safety Instruction Guide

Introduction

Thank you for choosing the Tacticoool22 M&P™ 1522 Extractor Plunger. This highquality replacement part is designed to improve the performance of your Smith & Wesson M&P 1522 firearm. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the extractor plunger in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the extractor plunger and other firearm components for wear and damage.
- Always wear appropriate eye and ear protection when using firearms.
- Follow all local laws and regulations regarding firearm use and ownership.

Specific Safety Precautions for Use

- Ensure you are familiar with the operation of your Smith & Wesson M&P 1522 before installing the extractor plunger.
- Do not attempt to modify the extractor plunger or any other firearm components.
- Use only compatible parts when performing maintenance on your firearm.
- If you experience any malfunctions or issues, cease use immediately and consult a qualified gunsmith.
- Keep hands and other body parts away from the firearm's action during operation.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a punch tool and a small hammer.

2. Removing the Old Extractor Plunger

- Disassemble the firearm according to the manufacturer's instructions.
- Locate the factory extractor plunger and use the punch tool to carefully remove it from its housing.

3. Installing the New Extractor Plunger

- Take the new Tacticoool22 extractor plunger and align it with the housing.
- Use the punch tool to gently tap the new plunger into place. Ensure it is seated securely.

4. Reassembling the Firearm

- Follow the manufacturer's instructions to reassemble the firearm.
- Conduct a function check to ensure proper operation.

5. Usage

- When using the firearm, ensure that the extractor plunger is functioning properly.
- Monitor for any signs of malfunction and address them immediately.

Disposal Instructions

- Dispose of any old or damaged parts in accordance with local regulations.
- Do not dispose of the extractor plunger in regular household waste. Instead, consult local waste management for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Tacticool22 M&P™ 1522 Extractor Plunger, please refer to the manufacturer's website or contact an authorized dealer.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our top priority. Enjoy your enhanced shooting experience with the Tacticool22 extractor plunger!
