

# M&P™ 15-22 EXTRACTOR SPRING - TACTICOOOL22 M&P 15-22 EXTRACTOR SPRING

[Rifle Parts](#) > [Bolt Parts](#) > [Extractor Parts](#) > [Extractor Springs](#)

This Tactical22 high quality Smith & Wesson M&P® 15-22 extractor spring has been developed by the Tacticoool22 R&D Lab to have more tension than the factory M&P15-22 spring. This provides for a superior grip on the rim of the .22 cartridge, even if you use the factory extractor.

# M&P™ 1522 Extractor Spring Safety Instruction Guide

## Introduction

Thank you for choosing the M&P™ 1522 Extractor Spring from TACTICOOOL22. This highquality extractor spring is designed to enhance the performance of your Smith & Wesson M&P® 1522 firearm. It is crucial to follow safety instructions to ensure safe and effective use of this product. This guide provides essential safety information, installation instructions, and disposal guidelines in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle firearms safely and responsibly.
- Ensure the firearm is unloaded before installing or replacing any components, including the extractor spring.
- Store the extractor spring and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the extractor spring for wear and damage. Replace it if any defects are found.
- Use protective eyewear when handling or working on firearms.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the extractor spring is compatible with the M&P® 1522 model before installation.
- Use only factoryapproved parts and accessories to avoid compromising safety and performance.
- Avoid using excessive force during installation to prevent damage to the firearm or the extractor spring.
- Do not modify the extractor spring or any other firearm components, as this may create safety hazards.
- If you experience any malfunctions or unusual behavior while using your firearm, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is pointed in a safe direction.
- Remove the magazine and check the chamber to confirm it is empty.

### 2. Removing the Old Extractor Spring:

- Disassemble the firearm according to the manufacturer's instructions.
- Locate the extractor spring and carefully remove it from the extractor.

### 3. Installing the New Extractor Spring:

- Take the new M&P™ 1522 Extractor Spring from TACTICOOOL22.
- Align the new extractor spring with the extractor and press it into place.
- Ensure that the spring is seated properly and securely.

### 4. Reassembling the Firearm:

- Follow the manufacturer's instructions to reassemble the firearm.
- Doublecheck that all components are correctly installed and secure.

## 5. **Testing:**

- Before using the firearm, perform a function check to ensure proper operation.
- If any issues arise, consult a qualified gunsmith for assistance.

## **Disposal Instructions**

- Dispose of the old extractor spring responsibly.
- Do not throw the extractor spring in regular household waste.
- Check local regulations for proper disposal methods for firearm components.
- Consider recycling options if available.

## **Contact Information for Further Support**

For any questions or concerns regarding the M&P™ 1522 Extractor Spring, please refer to the contact information provided by your retailer or manufacturer.

By following these safety guidelines and instructions, you can ensure the safe use of your M&P™ 1522 Extractor Spring. Always prioritize safety and responsible handling of your firearm.
