

SMITH & WESSON M&P POLYMER ACTION ENHANCEMENT TRIGGER - APEX TACTICAL SPECIALTIES INC S&W M&P POLYMER ACTION ENHANCEMENT TRIGGER-FDE

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Improve Your M&P Trigger Feel

For owners of Smith & Wesson's original M&P handguns, optimizing the trigger has often been a priority. With the Apex Tactical Polymer Action Enhancement Trigger, owners can improve the feel and function of their trigger assembly. Each Apex Tactical Polymer Action Enhancement Trigger for S&W M&P directly replaces the factory trigger without any additional work and offers a center-mounted pivoting safety in lieu of the hinged trigger safety found on factory M&P triggers. The benefit owners will see from installing the Apex Tactical Polymer Action Enhancement Trigger on your M&P is a reduction in pre-travel distance by 20 percent and reduced over-travel by 10 percent. The trigger can also be used in the company's Competition and Duty/Carry Action Enhancement Kits.

Safety Instruction Guide for SMITH & WESSON M&P POLYMER ACTION ENHANCEMENT TRIGGER

Introduction

Thank you for choosing the Apex Tactical Polymer Action Enhancement Trigger for your Smith & Wesson M&P handgun. This guide provides important safety instructions and information to ensure the safe use and installation of your new trigger. Please read this guide carefully before use.

General Safety Guidelines

- Ensure the product is suitable for your specific model of Smith & Wesson M&P handgun.
- Always handle firearms with care and follow the basic rules of firearm safety.
- Keep the trigger assembly and all components away from children and unauthorized users.
- If you experience any issues or have questions about the product, seek assistance from a qualified professional.

Specific Safety Precautions for Use

- **Installation Precautions:**
 - Ensure the firearm is unloaded before starting the installation process.
 - Wear appropriate safety gear, including safety glasses, during installation.
- **Usage Precautions:**
 - Always check the trigger's functionality after installation before using the firearm.
 - Do not modify the trigger or its components beyond the manufacturer's specifications.
 - Regularly inspect the trigger and firearm for signs of wear or damage.
- **Recall Information:**
 - Stay informed about product recalls by checking the EU's Safety Gate platform.
 - Report any unsafe products or accidents to the appropriate authorities.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation, including a punch tool and a small hammer.

2. Installation Steps:

- Remove the factory trigger from the firearm by following the manufacturer's instructions.
- Carefully install the Apex Tactical Polymer Action Enhancement Trigger in place of the factory trigger.
- Ensure the centermounted pivoting safety is correctly positioned.
- Reassemble the firearm and check that all components are securely in place.

3. Testing:

- After installation, conduct a function test to ensure proper operation.
- Check for a reduction in pretravel distance and overtravel as specified.

4. Usage:

- Use the firearm in accordance with local laws and regulations.
- Always practice safe handling and shooting techniques.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local waste management regulations.
- If the product needs to be disposed of, follow your local guidelines for hazardous waste disposal to ensure environmental safety.

Contact Information for Further Support

For any questions or concerns regarding the Apex Tactical Polymer Action Enhancement Trigger, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for taking the time to read this safety instruction guide. Your safety and satisfaction are our top priorities. Enjoy your enhanced shooting experience with the Apex Tactical Polymer Action Enhancement Trigger.
