

SWITCHBLADE PACK-MOUNTAIN

[Emergency & Survival Gear](#) > [Backpacks & Bags](#) > [Backpacks](#)

The idea that a knife can be safely carried in your pocket, but rapidly deployed is appealing to many. Eberlestock has taken that same concept and put it into its Switchblade pack. A magnetic opening handgun sleeve, now with a Nylex material backing for attaching holsters, is the quickest and safest way to pull a pistol from your pack. This mid-size Switchblade EDC pack keeps a low profile, while maximizing space and organization. Open the top lid pocket and you will find two magazine pouches, and other small organizing features. The front of the pack features an oversized pocket for quick access to your important items. On each side is a pair drawstring cupholder pockets, as well as a side zip pocket, big enough for a spotting scope, small tripod, or other long items. Rare-earth magnetic openings allow quick access to handgun concealed carry pouches from either side of the pack. Loop-velcro PALS webbing inside allows you to rack either MOLLE- or velcro-backed accessories. Interior pockets for hydration bladder, mags, small item organizers, and more. Detachable harness. New MOLLE-10 webbing offers the ability to carry standard 3-row MOLLE accessories, with a 60% weight savings over standard 25mm MOLLE matrixes. Featuring Eberlestock's quick access, grab and go zip-away top, allowing full frontal or top loading access to the main compartment. Inside you will find a document divider for an iPad, laptop, other electronics or even a short-barreled rifle. Additionally, there are elastic sleeves for organizing smaller items that are hydration compatible. On the inside and outside is 10mm MOLLE webbing. It functions the same as traditional MOLLE but weighs 60% less. Nylex material inside allows you to attach hook and loop accessories. Finally the Switchblade pack transforms into an extremely versatile day hunting pack, by simply adding a hipbelt (not included). Furthermore turn it into a load bearing compatible day pack by removing the harness and attaching it to our Carrier Frame using the ACHK or ACHQ Hookup Kit.

Attributes

- Name: [SWITCHBLADE PACK-MOUNTAIN](#)

SWITCHBLADE PACK Safety Instruction Guide

Introduction

Thank you for choosing the SWITCHBLADE PACK by Eberlestock. This guide provides essential safety instructions to ensure your safe and effective use of the product. Please read this guide carefully before using the pack.

General Safety Guidelines

- Ensure the pack is used as intended and follow all provided instructions.
- Regularly inspect the pack for any signs of wear or damage before each use.
- Keep the pack away from children and vulnerable individuals unless supervised.
- Be aware of your surroundings when using the pack, especially when accessing concealed carry compartments.
- Report any unsafe conditions or product defects to the manufacturer.

Specific Safety Precautions for Use

- **Concealed Carry Safety:**
 - Always ensure that the handgun is unloaded when placing it in the pack.
 - Use the magnetic opening handgun sleeve only for its intended purpose.
 - Store the handgun securely to prevent accidental access.
- **Hydration Bladder:**
 - Ensure that the hydration bladder is properly sealed to avoid leaks.
 - Clean the hydration bladder regularly to prevent mold and bacteria growth.
- **Weight Distribution:**
 - Distribute weight evenly within the pack to maintain balance.
 - Avoid overloading the pack, as this can lead to discomfort or injury.
- **Detachable Harness:**
 - Ensure that the harness is securely attached before use.
 - If using the pack without the harness, ensure that it is properly configured for loadbearing compatibility.
- **MOLLE Webbing:**
 - Only attach compatible accessories to the MOLLE webbing.
 - Regularly check that attachments are secure to prevent loss of items.

Instructions for Installation and Usage

1. Packing the SWITCHBLADE PACK:

- Open the top lid pocket to access the magazine pouches and organizing features.
- Place your handgun in the magnetic opening handgun sleeve, ensuring it is secure.
- Use the side zip pocket for long items such as spotting scopes or small tripods.
- Utilize the interior pockets for hydration bladders, magazines, and small items.

2. Using the Detachable Harness:

- To attach the harness, align the attachment points and secure them until you hear a click.
- To detach the harness, press the release buttons and carefully remove it.

3. Adjusting the Pack:

- Adjust the shoulder straps and hipbelt (if added) for a comfortable fit.
- Ensure that the pack sits snugly against your back to prevent shifting during movement.

4. Concealed Carry Access:

- To access the handgun, unzip the designated compartment and retrieve the firearm safely.
- Always check the surroundings before drawing the handgun.

5. Cleaning and Maintenance:

- Wipe the exterior of the pack with a damp cloth to remove dirt.
- For the hydration bladder, follow the manufacturer's cleaning instructions.

Disposal Instructions

- Dispose of the SWITCHBLADE PACK in accordance with local regulations.
- If the pack is no longer usable, consider recycling materials where possible.
- Do not dispose of the pack in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for choosing the SWITCHBLADE PACK. Your safety is our priority, and we hope you enjoy using your pack responsibly.
