

# SWITCHBLADE PACK-SKYE

[Emergency & Survival Gear](#) > [Backpacks & Bags](#) > [Backpacks](#)

The idea that a knife can be safely carried in your pocket, but rapidly deployed is appealing to many. Eberlestock has taken that same concept and put it into its Switchblade pack. A magnetic opening handgun sleeve, now with a Nylex material backing for attaching holsters, is the quickest and safest way to pull a pistol from your pack. This mid-size Switchblade EDC pack keeps a low profile, while maximizing space and organization. Open the top lid pocket and you will find two magazine pouches, and other small organizing features. The front of the pack features an oversized pocket for quick access to your important items. On each side is a pair drawstring cupholder pockets, as well as a side zip pocket, big enough for a spotting scope, small tripod, or other long items. Rare-earth magnetic openings allow quick access to handgun concealed carry pouches from either side of the pack. Loop-velcro PALS webbing inside allows you to rack either MOLLE- or velcro-backed accessories. Interior pockets for hydration bladder, mags, small item organizers, and more. Detachable harness. New MOLLE-10 webbing offers the ability to carry standard 3-row MOLLE accessories, with a 60% weight savings over standard 25mm MOLLE matrixes. Featuring Eberlestock's quick access, grab and go zip-away top, allowing full frontal or top loading access to the main compartment. Inside you will find a document divider for an iPad, laptop, other electronics or even a short-barreled rifle. Additionally, there are elastic sleeves for organizing smaller items that are hydration compatible. On the inside and outside is 10mm MOLLE webbing. It functions the same as traditional MOLLE but weighs 60% less. Nylex material inside allows you to attach hook and loop accessories. Finally the Switchblade pack transforms into an extremely versatile day hunting pack, by simply adding a hipbelt (not included). Furthermore turn it into a load bearing compatible day pack by removing the harness and attaching it to our Carrier Frame using the ACHK or ACHQ Hookup Kit.

## Attributes

- Name: [SWITCHBLADE PACK-SKYE](#)
- Manufacturer: [EBERLESTOCK](#)
- Product no.: 100033356

# SWITCHBLADE PACK Safety Instruction Guide

## Introduction

Thank you for choosing the SWITCHBLADE PACK. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your product. Please read this guide carefully before using the pack.

## General Safety Guidelines

- Ensure that the pack is used only for its intended purpose as described in this manual.
- Regularly inspect the pack for any signs of wear or damage before each use.
- Keep the pack out of reach of children and vulnerable individuals when not in use.
- Do not overload the pack beyond its specified weight limit of 3 lbs 10 oz.
- Avoid exposing the pack to extreme temperatures or harsh environmental conditions.
- Store the pack in a cool, dry place when not in use.

## Specific Safety Precautions for Use

- When accessing the magnetic opening handgun sleeve, ensure that the area is clear to prevent accidental injury.
- Always secure any firearms or dangerous items properly within the designated compartments.
- Be cautious when using the drawstring cupholder pockets to avoid entanglement or pinching.
- Use the detachable harness only as instructed and ensure it is properly attached before use.
- When using the MOLLE webbing, ensure that accessories are securely attached to avoid detachment during use.

## Instructions for Installation and Usage

### Installation

#### 1. Detachable Harness:

- To attach the harness, align it with the designated attachment points on the pack.
- Ensure that the harness is securely fastened before using.

#### 2. MOLLE Accessories:

- Attach MOLLE-compatible accessories by threading them through the webbing.
- Ensure that all accessories are firmly secured to prevent loss.

#### 3. Hydration Bladder:

- Place the hydration bladder in the designated interior pocket.
- Ensure that the bladder is closed properly to prevent leaks.

### Usage

#### 1. Accessing the Handgun Sleeve:

- Open the magnetic flap gently to access the handgun sleeve.
- Always ensure that the pack is positioned securely when accessing the handgun.

#### 2. Using Pockets and Compartments:

- Open the top lid pocket to access magazine pouches and organizing features.
- Use the oversized front pocket for quick access to important items.
- Utilize side zip pockets for longer items like spotting scopes or tripods.

### **3. Carrying the Pack:**

- Adjust the shoulder straps for a comfortable fit.
- Use the hipbelt (if added) for additional support when carrying heavier loads.
- Ensure that all zippers and closures are securely fastened before moving.

## **Disposal Instructions**

- Dispose of the pack responsibly in accordance with local regulations.
- If the pack is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the pack in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your SWITCHBLADE PACK. Thank you for your attention to these guidelines.
