

# SWITCHBLADE PACK - EBERLESTOCK SWITCHBLADE PACK-DRY EARTH

[Emergency & Survival Gear](#) > [Backpacks & Bags](#) > [Backpacks](#)

The idea that a knife can be safely carried in your pocket, but rapidly deployed is appealing to many. Eberlestock has taken that same concept and put it into its Switchblade pack. A magnetic opening handgun sleeve, now with a Nylex material backing for attaching holsters, is the quickest and safest way to pull a pistol from your pack. This mid-size Switchblade EDC pack keeps a low profile, while maximizing space and organization. Open the top lid pocket and you will find two magazine pouches, and other small organizing features. The front of the pack features an oversized pocket for quick access to your important items. On each side is a pair drawstring cupholder pockets, as well as a side zip pocket, big enough for a spotting scope, small tripod, or other long items. Rare-earth magnetic openings allow quick access to handgun concealed carry pouches from either side of the pack. Loop-velcro PALS webbing inside allows you to rack either MOLLE- or velcro-backed accessories. Interior pockets for hydration bladder, mags, small item organizers, and more. Detachable harness. New MOLLE-10 webbing offers the ability to carry standard 3-row MOLLE accessories, with a 60% weight savings over standard 25mm MOLLE matrixes. Featuring Eberlestock's quick access, grab and go zip-away top, allowing full frontal or top loading access to the main compartment. Inside you will find a document divider for an IPad, laptop, other electronics or even a short-barreled rifle. Additionally, there are elastic sleeves for organizing smaller items that are hydration compatible. On the inside and outside is 10mm MOLLE webbing. It functions the same as traditional MOLLE but weighs 60% less. Nylex material inside allows you to attach hook and loop accessories. Finally the Switchblade pack transforms into an extremely versatile day hunting pack, by simply adding a hipbelt (not included). Furthermore turn it into a load bearing compatible day pack by removing the harness and attaching it to our Carrier Frame using the ACHK or ACHQ Hookup Kit.

## Introduction

Thank you for choosing the Eberlestock Switchblade Pack. This guide provides essential safety instructions to ensure the safe use of your pack. Please read this guide carefully before using the product to familiarize yourself with its features and safety precautions.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the Switchblade Pack by following all instructions provided in this guide.
- **Enhanced Recalls:** Stay informed about any product recalls. Check the EU's Safety Gate platform for updates.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for children. Keep it out of reach of children to avoid potential hazards.
- **EU Contact Point:** For safety inquiries, please refer to the contact information provided by the retailer.
- **Rapid Alerts:** Be aware of any safety alerts regarding this product through the Safety Gate system.

## Specific Safety Precautions for Use

- **Carrying Firearms:** The Switchblade Pack is designed to carry firearms safely. Always ensure that firearms are unloaded when placing them in the pack.
- **Magnetic Opening:** Use caution when accessing the handgun sleeve. Ensure that the magnetic opening is functioning correctly to avoid accidental release.
- **Load Capacity:** Do not exceed the weight limit of the pack. Overloading may compromise safety and comfort.
- **Detachable Harness:** When using the detachable harness, ensure it is securely attached before wearing the pack.
- **Hydration Bladder:** If using a hydration bladder, ensure it is properly sealed to prevent leaks.
- **Environmental Conditions:** Avoid exposing the pack to extreme temperatures or harsh weather conditions that may damage the materials.

## Instructions for Installation and Usage

### • Attaching Accessories:

- Use the loopvelcro PALS webbing to attach MOLLE or velcrobacked accessories securely.
- Ensure that all attachments are firmly in place before use.

### • Loading the Pack:

- Open the top lid pocket to access the magazine pouches and organizing features.
- Place heavier items at the bottom of the pack to maintain balance.
- Use the side zip pocket for long items like spotting scopes or small tripods.

### • Accessing the Handgun Sleeve:

- Open the magnetic handgun sleeve carefully.
- Ensure the sleeve is empty before inserting a firearm.
- Always check that the firearm is secure when closed.

- **Using the Document Divider:**

- Place documents, tablets, or laptops in the designated divider to keep them organized and protected.
- Ensure that the divider is not overloaded to avoid damage.

- **Hydration Compatibility:**

- Place the hydration bladder in the designated interior pocket.
- Ensure the hose is accessible and does not interfere with other items in the pack.

- **Transforming the Pack:**

- To convert the Switchblade Pack into a day hunting pack, attach a hipbelt (not included).
- For loadbearing compatibility, remove the harness and attach it to the Carrier Frame using the ACHK or ACHQ Hookup Kit.

## Disposal Instructions

- **Environmental Responsibility:** Dispose of the pack in accordance with local regulations. Do not dispose of the pack in regular household waste.
- **Recycling:** If possible, recycle materials from the pack to minimize environmental impact.
