

ARCALOCK UNIVERSAL FLAT RAIL - AREA 419 8" UNIVERSAL ARCALOCK RAIL

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

Enhance Your Precision Shooting With an Improved ARCA Rail

An accessory that's growing popular among shooters in the precision world is the ARCA rail, a sliding handguard that allows users to mount bipods, barricade stops and other accessories on a sliding unit that allows for fast, easy adjustment. However, Area 419 saw an issue with this friction lock, noticing that the system can slide under pressure. The company's ARCALock Universal Flat Rail solves this issue while still providing the benefits of the ARCA mechanism. Each Area 419 ARCALock Universal Flat Rail features a proprietary clamp design that mechanically locks the serrated sides of the rail into place, and the unit is backwards-compatible with all standard ARCA-style accessories on the market. Each edge and corner on the unit is radiused, so there's no way to cut or snag on any side of the rail. The entire unit is machined from 6061-T6 aluminum and features a Type 3 hard-coat anodizing. Area 419 designers initially developed its ARCALock Universal Flat Rail with the Manners Composite Stock in mind, but the unit can be used with a range of stocks with an accessible front-action screw or front-attachment point.

Attributes

- Name: [AREA 419 8" UNIVERSAL ARCALOCK RAIL](#)
- Manufacturer: [AREA 419](#)
- Product no.: 100033448
- Mfr. No.: 419-ALK-UNIV8RA
- Attachment: Adapter Mount
- Length: -
- Make: -
- Material: -
- Style: -
- Type: -
- Delivery weight: 0.454kg
- Shipping height: 51mm
- Shipping width: 51mm
- Shipping length: 406mm
- UPC: 850002933000

Safety Instruction Guide for ARCALOCK UNIVERSAL FLAT RAIL

Introduction

Thank you for choosing the ARCALOCK Universal Flat Rail from Area 419. This guide provides important safety information and instructions to ensure safe and effective use of the product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always inspect the ARCALOCK Universal Flat Rail for any damage or wear before each use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Use the product in a safe environment, free from obstacles and hazards.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the rail is securely attached before using any accessories mounted on it.
- Avoid applying excessive force when adjusting accessories on the rail to prevent damage.
- Do not exceed the weight limit of the accessories used with the rail. Check the specifications of each accessory.
- Be cautious of sharp edges when handling the rail; the edges and corners are radiused, but care should still be taken.
- If using the rail in adverse weather conditions, ensure that all components are dry to prevent slipping or malfunction.

Instructions for Installation and Usage

1. Installation

- Ensure that the firearm is unloaded and pointed in a safe direction before beginning installation.
- Locate the frontaction screw or frontattachment point on your stock.
- Align the ARCALOCK Universal Flat Rail with the attachment point.
- Use the proprietary clamp design to secure the rail in place. Ensure that the serrated sides are locked into place.
- Tighten the clamp until secure, but avoid overtightening which may damage the rail or stock.

2. Usage

- Mount accessories such as bipods and barricade stops onto the rail as needed.
- Adjust the position of the accessories by sliding them along the rail. Ensure they are locked in place after adjustments.
- Regularly check the tightness of the rail and accessories during use to ensure safety and functionality.

Disposal Instructions

- Dispose of the ARCALOCK Universal Flat Rail in accordance with local regulations regarding aluminum and metal waste.
- If the product is damaged beyond repair, ensure that it is disposed of in a way that prevents injury to

others.

Contact Information for Further Support

For any inquiries regarding safety, usage, or support, please contact the manufacturer directly through official channels. Ensure you have the product details on hand for a more efficient response.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities.
