

WHISKEY 3 REMINGTON 700 CHASSIS - KINETIC RESEARCH GROUP

REMINGTON 700 LA FIXED STOCK FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

A Chassis You Can Customize to Fit Like a Glove

The KRG Whiskey-3 Chassis (W3C) is one of the premier chassis available for your bolt action precision rifle. The W3C combines precise aluminum bedding with tool-less adjustments, durability, and excellent ergonomics. Right out of the box it allows the use of AICS style magazines (not included) in your rifle without any special bottom metal. Numerous types of accessories can be added to the many attachment points, including handstops, sling mounts, rails, bipods, monopods, and more. KRG's modular grip panels allow the shooter to tailor the fit of the stock to his/her hand which, combined with the other adjustments, yield a stock set up exactly as it needs to be for that particular shooter. The latest Generation (6) features a new length-of-pull locking mechanism that is a bit more streamlined than previous generations and allows for faster adjustments. Remington 700 long action chassis takes AICS pattern 3.850" length magazines.

Attributes

- Name: [KINETIC RESEARCH GROUP REMINGTON 700 LA FIXED STOCK FDE](#)
- Manufacturer: [KINETIC RESEARCH GROUP](#)

Safety Instruction Guide for WHISKEY 3 REMINGTON 700 CHASSIS

Introduction

Thank you for choosing the KRG Whiskey3 Chassis for your Remington 700 long action rifle. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new chassis. Please read this document thoroughly before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a chassis for bolt action precision rifles.
- Keep the chassis and all accessories out of reach of children and vulnerable individuals.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Always handle your rifle in a safe manner, following basic firearm safety rules.

Specific Safety Precautions for Use

• Installation Precautions:

- Ensure that the rifle is unloaded before installing or modifying the chassis.
- Use appropriate tools and follow the installation instructions carefully to avoid injury.

• Usage Precautions:

- Always verify that the firearm is in a safe condition before handling.
- Be aware of your surroundings and ensure a safe shooting environment.
- Use only AICS pattern magazines that are compatible with the chassis.
- Adjust the length of pull and other settings only when the firearm is in a safe condition.

• Storage Precautions:

- Store the chassis and rifle in a secure location, preferably in a locked cabinet or safe.
- Avoid exposing the chassis to extreme temperatures or moisture to maintain its integrity.

Instructions for Installation and Usage

1. Installation:

- Ensure that you have all necessary tools and components before beginning the installation.
- Remove the existing stock from your Remington 700 rifle according to the manufacturer's instructions.
- Align the rifle action with the KRG Whiskey3 Chassis and secure it using the provided screws.
- Adjust the chassis settings, including the length of pull, to fit your personal preferences.

2. Usage:

- Load the compatible AICS pattern magazine into the chassis.
- Ensure that all adjustments are secure before taking the rifle to the shooting range.
- Practice safe shooting techniques and always follow local laws and regulations regarding firearm usage.

Disposal Instructions

- Dispose of packaging materials in accordance with local waste disposal regulations.
- If the chassis becomes damaged beyond repair, consider recycling components where possible, following local recycling guidelines.

Contact Information for Further Support

For safety inquiries or concerns regarding the KRG Whiskey3 Chassis, please reach out to the manufacturer or your retailer for assistance. Ensure you have your product information ready for efficient support.

This safety instruction guide is designed to help you use the KRG Whiskey3 Chassis safely and effectively. For further information about product recalls or safety updates, please refer to the EU's Safety Gate platform. Thank you for your attention to these important safety guidelines.
