

# REPLACEMENT CHEEK PIECES - KINETIC RESEARCH GROUP OVERMOLDED CHEEK PIECE

[Rifle Parts](#) > [Stock Parts](#) > [Stock Hardware](#) > [Cheek Pieces](#)

## Makes Long Days Behind the Rifle More Comfortable

Overmolded Cheekpiece Kit (Whiskey-3 Chassis, X-ray, and 180-Alpha only): This is KRG's own overmolded cheekpiece. It is grippy and has a little give for long days behind the rifle. It retains the comfortable shape of the enhanced cheekpiece (which replaced the older narrow cheekpieces on the gen 4 Whiskey-3 starting in Feb 2014 and comes on all X-ray chassis). It has a right hand shooter bias but is usable for off-side shooting, or it can be flipped around to give left hand shooter bias. Fits: Whiskey-3, X-Ray, & 180 series chassis. Restrictions: Actions with very long bolt throws may require some extra clearance in some positions.

## Attributes

- Name: [KINETIC RESEARCH GROUP OVERMOLDED CHEEK PIECE](#)
- Manufacturer: [KINETIC RESEARCH GROUP](#)
- Product no.: 100033855
- Mfr. No.: OVM-CHK

# Safety Instruction Guide for Replacement Cheek Pieces Kinetic Research Group Overmolded Cheek Piece

## Introduction

Thank you for choosing the Replacement Cheek Pieces from Kinetic Research Group. This guide provides important safety instructions and information to ensure the safe use of the overmolded cheek piece. Please read this guide carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** This product is designed to ensure safe use during operation. Always follow the guidelines provided to minimize risks.
- **Enhanced Recalls:** In the event of a safety concern, recall notices will be issued. Please stay informed about any potential recalls.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the designated contact point as required under EU regulations.
- **Rapid Alerts:** Stay updated on product safety through the EU's Safety Gate platform for any alerts regarding unsafe products.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to instability while shooting.
  - Ensure that the cheek piece is securely attached before use to avoid accidents.
- **Avoiding Hazards:**
  - Regularly inspect the cheek piece for signs of wear or damage.
  - Do not modify the cheek piece or use it in ways not intended by the manufacturer.
- **Age Warnings:**
  - This product is designed for adult users only. Not suitable for children.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing cheek piece from the chassis if applicable.
- Align the overmolded cheek piece with the mounting points on the Whiskey3, XRay, or 180 series chassis.
- Securely fasten the cheek piece according to the manufacturer's instructions, ensuring it is tightly fitted without excessive force.
- Check that the cheek piece is stable before use.

### 2. Usage:

- Adjust the cheek piece to your preferred height and angle for optimal comfort while aiming.
- Ensure a firm grip on the firearm at all times.

- Use the cheek piece as designed, with a righthand shooter bias or flipped for lefthand bias.
- If using for offside shooting, practice to ensure comfort and control.

## **Disposal Instructions**

- Dispose of the cheek piece in accordance with local regulations for plastic products.
- Do not dispose of in regular household waste if there are specific recycling programs in your area.
- Consider contacting local waste management for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Replacement Cheek Pieces, please refer to the designated contact point provided by the manufacturer. Ensure you have your product details ready for efficient assistance.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the Kinetic Research Group Overmolded Cheek Piece.
