Safety Instruction Guide for the AR15 Raptor Charging Handle

Introduction

Thank you for purchasing the AR15 Raptor Charging Handle. This ambidextrous charging handle is designed for enhanced functionality and ease of use. This guide provides essential safety instructions to ensure proper usage and maintenance of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the charging handle is compatible with your firearm model before installation.
- Always handle firearms with care and follow all safety protocols.
- Keep the charging handle and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the charging handle for any signs of wear or damage before use.
- Do not use the charging handle if you notice any defects or abnormalities.
- If you experience any issues during installation or usage, cease use immediately and seek assistance.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or handling the charging handle.
- Use the charging handle only as intended. Improper use may lead to malfunction or injury.
- When charging the firearm, maintain a firm grip and ensure your fingers are clear of the action.
- Be aware of your surroundings and ensure that you are in a safe environment when operating your firearm.
- Avoid using excessive force when manipulating the charging handle to prevent damage.

Instructions for Installation and Usage

Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing charging handle by following the manufacturer's instructions.
3. Align the Raptor Charging Handle with the receiver of the firearm.
4. Insert the charging handle into the receiver until it is fully seated.
5. Verify that the charging handle operates smoothly and is securely in place.

Usage

- To charge the firearm, grasp the charging handle with your dominant hand.
- Use either palm "blading" or finger thumb techniques to pull the handle back.
- Release the handle to allow it to return to its original position.
- Always check the chamber to confirm that the firearm is ready for use.

Disposal Instructions

- Dispose of the charging handle in accordance with local regulations.
- If the charging handle is damaged or no longer in use, consider recycling it if possible.
- Do not dispose of the charging handle in regular household waste.

Contact Information for Further Support

For any safety inquiries or additional support, please contact the manufacturer or refer to the official website for

assistance.

Conclusion

Following these safety instructions will help ensure the safe and effective use of your AR15 Raptor Charging Handle. Always prioritize safety and compliance with local laws when handling firearms. Thank you for choosing Radian Weapons.
