## A Combination Charging Handle/Safety Selector to Enhance Your AR-15

Designed and manufactured in the USA, the Radian Weapons Raptor-LT charging handle is one of the best and easiest enhancements you can add to any AR-15, thanks to its high-strength construction and ambidextrous design. However, in this special combo, AR owners also receive the company's Talon safety selector along with this durable, ambidextrous charging handle. The Radian Weapons Talon safety selector is also ambidextrous and can be adjusted for either a 45-degree or a 90-degree throw, depending on user preference. The selector switch features a precisely machined dovetail complete with a spring-loaded retention stud that secures the lever into place inside the receiver.

# Radian Weapons AR15 Ambidextrous RaptorLT Charging Handle with Talon Safety Instruction Guide

## Introduction

Thank you for choosing the Radian Weapons AR15 Ambidextrous RaptorLT Charging Handle with Talon Safety. This product is designed to enhance your AR15 experience with its durable construction and userfriendly features. To ensure your safety and the safe use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and associated accessories safely and responsibly.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- If you notice any defects or malfunctions, cease use immediately and consult a qualified gunsmith.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always verify that your firearm is unloaded before installing or handling the charging handle.
- Use eye protection when handling firearms and accessories.
- Make sure that the charging handle is securely installed before use.
- Familiarize yourself with the operation of the Talon safety selector, including its 45degree and 90degree throw settings.
- Do not attempt to modify or alter the charging handle or safety selector in any way.
- Always ensure that the selector switch is in the safe position when the firearm is not in use.
- Keep fingers away from the trigger until ready to shoot.

## Instructions for Installation and Usage

### 1. Installation of the Charging Handle:

- Ensure the firearm is unloaded.
- Remove the existing charging handle from the upper receiver by pulling it out.
- Align the RaptorLT charging handle with the receiver and insert it into the charging handle slot.
- Push the charging handle fully into place until it is secure.

### 2. Installation of the Talon Safety Selector:

- Ensure the firearm is unloaded.
- Remove the existing safety selector by pushing out the detent pin.
- Insert the Talon safety selector into the receiver, ensuring the desired throw angle (45degree or 90degree) is selected.
- Secure the safety selector by reinserting the detent pin.

### 3. Using the Charging Handle:

- To charge the firearm, pull the charging handle back firmly and release it to chamber a round.

- Ensure the charging handle is returned to its forward position before firing.

#### **4. Using the Talon Safety Selector:**

- To switch between safe and fire modes, rotate the selector switch to the desired position.
- Always check that the selector is in the safe position when the firearm is not in use.

## **Disposal Instructions**

- Dispose of the product responsibly and in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling the product if possible, or contact local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Radian Weapons AR15 Ambidextrous RaptorLT Charging Handle with Talon Safety, please refer to the official website or contact the manufacturer directly.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using your new charging handle and safety selector.
