# Eberlestock H31 Bandit Pack Safety Instructions

## Introduction

Thank you for choosing the Eberlestock H31 Bandit Pack. This guide provides essential safety instructions and guidelines to ensure the safe use of your pack. Please read this manual carefully before using the product.

## General Safety Guidelines

- Ensure that the pack is used only for its intended purpose as a carrying solution for personal items.
- Inspect the pack regularly for any signs of wear or damage before each use.
- Keep the pack away from sharp objects that may cause punctures or tears.
- Avoid overloading the pack beyond its specified capacity to prevent strain or damage.
- Ensure that all zippers and closures are functioning properly before use.
- Store the pack in a cool, dry place when not in use to prevent deterioration of materials.

## Specific Safety Precautions for Use

- Use the adjustable straps to ensure a secure and comfortable fit when wearing the pack.
- Avoid placing heavy items in the top compartment to maintain balance and stability.
- When using the hydration bladder, ensure that it is properly sealed to prevent leaks.
- Do not use the pack in extreme weather conditions without appropriate protection for your belongings.
- Keep the pack away from children unless supervised by an adult.
- Be cautious when accessing items stored in the pack while on the move to avoid tripping or falling.

## Instructions for Installation and Usage

### 1. Adjusting Straps:

- Put the pack on your back and adjust the shoulder straps for a snug fit.
- Adjust the chest strap to ensure stability.
- If applicable, adjust the waist strap to distribute weight evenly.

### 2. Using the Hydration Bladder:

- Open the top compartment and insert the hydration bladder.
- Ensure the tube is accessible and not kinked.
- Fill the bladder with water and securely close the top.

### 3. Packing Items:

- Open the main compartment and place items inside, ensuring even distribution of weight.
- Use the mesh pocket for smaller items and the key hook for keys.
- Avoid exceeding the pack's volume capacity of 935 cubic inches.

### 4. Accessing Items:

- When accessing items, find a safe location to stop and open the pack.
- Be mindful of your surroundings to avoid accidents.

## Disposal Instructions

- Dispose of the pack according to local waste management regulations.
- If the pack is damaged beyond repair, consider recycling materials where possible.

- Do not dispose of the pack in regular household waste if it contains hazardous materials.
