

# IMPACT SPORT ELECTRONIC EARMUFFS - HOWARD LEIGHT IMPACT SPORT ELECTRONIC EARMUFFS MULTICAM

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

## Protects Hearing, Amplifies Conversation & Range Commands

The Howard Leigh Impact Sport Electronic Earmuffs offer compact, lightweight electronic hearing protection allowing you to hear conversations and range commands, while blocking out dangerous noises like gunfire. Internal ultra-fast response electronics amplify ambient sounds to a safe 82 decibels (dB), yet shut down when sounds above 82 dB are detected to let the muff's passive hearing protection take over. When the earmuffs are in amplification mode, directionally placed stereo microphones even help you hear where the sound is coming from. Built-in AUX input accepts 1/8" (3mm) stereo plug (patch cable included) to connect an MP3 player, radio, or other audio. The Impact Sport Electronic Earmuffs feature an automatically shut-off that activates after 4 hours to preserve battery life. Bottom half of the low-profile ear cups angles in sharply to ensure plenty of clearance when shouldering long guns. Cups fold up neatly into the adjustable head band for convenient storage.

## Attributes

- Name: [HOWARD LEIGHT IMPACT SPORT ELECTRONIC EARMUFFS MULTICAM](#)
- Manufacturer: [HOWARD LEIGHT](#)
- Product no.: 100034884
- Mfr. No.: R02526

# Safety Instruction Guide for Howard Leight Impact Sport Electronic Earmuffs

## Introduction

Thank you for choosing the Howard Leight Impact Sport Electronic Earmuffs. These earmuffs provide essential hearing protection while allowing you to hear ambient sounds and conversations. This guide outlines important safety information, usage instructions, and disposal guidelines to ensure your safety and satisfaction.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the earmuffs by following all guidelines provided. These earmuffs are designed to protect your hearing from loud noises, including gunfire.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to your product. If a recall is issued, follow the instructions provided for returning or remedying the product.
- **Online Shopping Protections:** If purchased online, ensure that the seller complies with safety regulations similar to those in physical stores.
- **Special Consumer Focus:** Keep these earmuffs out of reach of children to prevent misuse. They are not designed for children under the age of 16.
- **EU Contact Point:** For safety inquiries, refer to the EU contact point provided by the manufacturer.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on potential safety issues related to your product.

## Specific Safety Precautions for Use

- **Hearing Protection:** Always use the earmuffs in environments with loud noises to protect your hearing.
- **Amplification Mode:** Be cautious when using the amplification feature. Ensure that the volume is set to a safe level to avoid ear damage.
- **Battery Safety:** Replace batteries as needed and dispose of them properly. Do not attempt to open the battery compartment if you are unsure how to do so safely.
- **Avoid Wet Conditions:** Do not use the earmuffs in wet or damp conditions, as moisture can damage the electronic components.
- **Regular Inspections:** Periodically check the earmuffs for any signs of damage or wear. Replace them if any components are compromised.

## Instructions for Installation and Usage

### • Installation:

- Ensure the earmuffs are fully charged or have fresh batteries installed before use.
- Adjust the headband for a comfortable fit. The earmuffs should sit snugly over your ears without causing discomfort.

### • Usage:

- Turn on the earmuffs by pressing the power button.
- Adjust the volume using the controls located on the earmuffs.
- If connecting an audio device, use the provided AUX input and ensure the connection is secure.
- When using in amplification mode, be aware of your surroundings and adjust volume accordingly.
- After 4 hours of inactivity, the earmuffs will automatically shut off to preserve battery life. Turn them back on for continued use.

## Disposal Instructions

- **Battery Disposal:** Dispose of batteries in accordance with local regulations. Do not throw batteries in regular trash.
- **Earmuff Disposal:** When the earmuffs reach the end of their life, dispose of them in accordance with local waste management regulations. Consider recycling options if available.
- **Electronic Waste:** Follow local guidelines for disposing of electronic waste to minimize environmental impact.

## Contact Information for Further Support

For any questions or concerns regarding the Howard Leight Impact Sport Electronic Earmuffs, please refer to the manufacturer's contact information included with your product. Ensure to keep the original packaging and receipt for warranty purposes.

Thank you for your attention to these safety instructions. Enjoy your Howard Leight Impact Sport Electronic Earmuffs and stay safe!
