

# IMPACT SPORT ELECTRONIC EARMUFFS - HOWARD LEIGHT IMPACT SPORT ELECTRONIC EARMUFFS MULTICAM ALPINE

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

## Protects Hearing, Amplifies Conversation & Range Commands

The Howard Leigh Impact Sport Electronic Earmuffs offer compact, lightweight electronic hearing protection allowing you to hear conversations and range commands, while blocking out dangerous noises like gunfire. Internal ultra-fast response electronics amplify ambient sounds to a safe 82 decibels (dB), yet shut down when sounds above 82 dB are detected to let the muff's passive hearing protection take over. When the earmuffs are in amplification mode, directionally placed stereo microphones even help you hear where the sound is coming from. Built-in AUX input accepts 1/8" (3mm) stereo plug (patch cable included) to connect an MP3 player, radio, or other audio. The Impact Sport Electronic Earmuffs feature an automatically shut-off that activates after 4 hours to preserve battery life. Bottom half of the low-profile ear cups angles in sharply to ensure plenty of clearance when shouldering long guns. Cups fold up neatly into the adjustable head band for convenient storage.

## Attributes

- Name: [HOWARD LEIGHT IMPACT SPORT ELECTRONIC EARMUFFS MULTICAM ALPINE](#)
- Manufacturer: [HOWARD LEIGHT](#)
- Product no.: 100034886
- Mfr. No.: R-02528

# Safety Instruction Guide for Howard Leight Impact Sport Electronic Earmuffs

## Introduction

Thank you for choosing the Howard Leight Impact Sport Electronic Earmuffs. These earmuffs provide essential hearing protection while allowing you to hear ambient sounds and conversations. This guide outlines important safety instructions and guidelines to ensure optimal use and protection.

## General Safety Guidelines

- Ensure that the earmuffs are used only for their intended purpose: hearing protection during shooting and other loud activities.
- Always inspect the earmuffs for damage before use. Do not use if any parts are broken or missing.
- Keep the earmuffs out of reach of children when not in use.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hearing Protection:** The earmuffs are designed to block sounds above 82 dB. Always ensure they are worn correctly to maximize protection.
- **Battery Life:** The earmuffs feature an automatic shutoff after 4 hours to preserve battery life. Replace batteries as needed.
- **Ambient Sound Amplification:** Be aware that while the earmuffs amplify ambient sounds, they will shut down when sounds exceed 82 dB. Always be cautious of your environment.
- **Proper Fit:** Ensure that the earmuffs fit snugly over your ears for optimal performance. Adjust the headband as necessary.
- **Use with Other Devices:** When connecting an audio device via AUX, ensure the volume is set to a safe level to prevent hearing damage.

## Instructions for Installation and Usage

### 1. Fitting the Earmuffs:

- Place the earmuffs over your ears, ensuring a snug fit.
- Adjust the headband for comfort and stability.
- Ensure that the bottom half of the ear cups angles in sharply to allow for clearance when shouldering long guns.

### 2. Connecting Audio Devices:

- Use the included 1/8" (3mm) stereo plug to connect your MP3 player, radio, or other audio devices.
- Ensure that the audio device is compatible and set to a safe volume level.

### 3. Powering On and Off:

- Turn on the earmuffs by pressing the power button.
- They will automatically shut off after 4 hours of inactivity to conserve battery life.

### 4. Battery Replacement:

- Check the battery level regularly. Replace batteries when the sound quality diminishes or the

- earmuffs do not power on.
- Use the recommended battery type as indicated in the product specifications.

## **Disposal Instructions**

- Dispose of the earmuffs in accordance with local regulations for electronic waste.
- Remove batteries before disposal and recycle them according to local guidelines.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Howard Leight Impact Sport Electronic Earmuffs, please refer to the manufacturer's contact details found on the product packaging or official website.

Thank you for your attention to these safety instructions. Proper use and care will help ensure that you enjoy the benefits of your earmuffs while staying safe.
