

LOOP BAGS - WIEBAD LOOP BAG MULTICAM

[Home](#)

Ready for Resting the Rear of Your Rifle

From the ground up ,the WieBad Loop Bag was purpose-built to provide precision shooters with a reliable, usable rear bag. The Loop Bag goes beyond traditional toe bags and provides unprecedented options for today's shooters. Shooters who use the WieBad Loop Bag can quickly and easily make tiny changes in elevation by squeezing or loosening their grip. Larger elevation changes are made easily as well, thanks to the unique shape of the bag. This allows it to be placed at three different angles, and its design also makes it perfect for traditional stock as well as today's chassis-style rigs. Available in coyote, OD green, black and multicam colors Measures 9 x 5 x 1.5 inches Weight: 1 pound Each WieBad Loop Bag is designed to handle the rigors of the range, having been built from strong 1000D Cordura Nylon and triple-stitched for added strength. The bags are filled with lightweight polypellets.

LOOP BAGS WIEBAD LOOP BAG MULTICAM Safety Instructions

Introduction

Thank you for choosing the WieBad Loop Bag Multicam. This product is designed for precision shooters, providing a reliable and versatile rear bag for improved shooting accuracy. To ensure safe use and optimal performance, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always inspect the Loop Bag before use for any signs of damage or wear.
- Ensure the bag is filled with lightweight polypellets as intended.
- Use the Loop Bag only for its intended purpose as a shooting accessory.
- Keep the Loop Bag out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents involving the product to the appropriate authorities.

Specific Safety Precautions for Use

- Avoid using the Loop Bag on unstable or uneven surfaces to prevent accidents.
- Do not place excessive weight on the Loop Bag beyond its intended use.
- Ensure the Loop Bag is positioned securely when in use to avoid slipping.
- Be cautious when adjusting the bag's position; make small adjustments to maintain stability.
- If the Loop Bag shows signs of wear or damage, discontinue use immediately.

Instructions for Installation and Usage

1. Setting Up the Loop Bag:

- Place the Loop Bag on a stable shooting platform, such as a shooting bench or floor.
- Adjust the bag to one of its three available angles for optimal support.

2. Using the Loop Bag:

- When shooting, grip the bag firmly but avoid excessive squeezing to allow for elevation adjustments.
- For minor elevation changes, gently squeeze or loosen your grip on the bag.
- For larger elevation changes, reposition the bag as needed, ensuring it remains stable.

3. Maintenance and Care:

- Clean the Loop Bag with a damp cloth to remove dirt and debris.
- Store the Loop Bag in a cool, dry place when not in use to prevent material degradation.
- Check the stitching and seams regularly, and report any issues if they arise.

Disposal Instructions

- Dispose of the Loop Bag in accordance with local waste management regulations.
- If the bag is damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of the Loop Bag in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries regarding the safety or use of the WieBad Loop Bag, please reach out to the manufacturer or authorized retailers for assistance. Ensure you have the product details ready for a more efficient response.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the WieBad Loop Bag Multicam!
