## Introduction

Thank you for choosing the CZ Scorpion MOE EVO Enhanced Mag Release from Magpul. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure the product is compatible with your specific CZ Scorpion model (EVO 3 S1 Carbine, EVO 3 S1 Pistol, or EVO 3 S2 Micro).
- Always handle firearms with care and follow all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product for any damage before use. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the Enhanced Mag Release only as intended. Do not modify the product.
- Ensure your firearm is unloaded before installation or handling.
- Use gloves if necessary to maintain grip and prevent slippage during installation.
- Be aware of your surroundings and ensure that no one is in the vicinity when operating the firearm.
- Avoid placing fingers on the trigger until ready to shoot.

## Instructions for Installation and Usage

### Installation Steps

#### 1. Gather Tools:

- You will need a 5/32" roll pin punch for installation.

#### 2. Prepare the Firearm:

- Ensure the firearm is unloaded and pointed in a safe direction.

#### 3. Remove the Old Mag Release:

- Locate the magazine release on your CZ Scorpion EVO.
- Use the roll pin punch to carefully drive out the pin holding the old magazine release in place.
- Remove the old magazine release and set it aside.

#### 4. Install the Enhanced Mag Release:

- Align the new Enhanced Mag Release with the mounting hole.
- Insert the roll pin through the hole to secure the new magazine release in place.
- Ensure it is firmly in position and operates smoothly.

#### 5. Test the Installation:

- With the firearm still unloaded, test the magazine release to ensure it functions correctly.

- Check that the paddle is easily accessible and operates as intended.

## **Usage Instructions**

- To activate the Enhanced Mag Release, press the paddle with your thumb or finger to release the magazine.
- Practice using the Enhanced Mag Release in a safe environment to become familiar with its operation.
- Always ensure the firearm is pointed in a safe direction when releasing the magazine.

## **Disposal Instructions**

- Dispose of the product responsibly, following local regulations for plastic and polymer materials.
- Do not throw the product in regular household waste. Check for designated disposal sites for firearm accessories.
