ARMORER'S FLANGE TOOL SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the ARMORER'S FLANGE TOOL from LAW TACTICAL. This tool is designed for the safe and effective installation of the Law Tactical Folding Stock Adapter. Please read this safety instruction guide carefully to ensure proper use and maintenance of the tool, and to understand the safety measures necessary for your protection.

General Safety Guidelines

- Ensure that the ARMORER'S FLANGE TOOL is used only for its intended purpose.
- Always inspect the tool before use for any signs of damage or wear.
- Keep the tool out of reach of children and unauthorized users.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling the tool.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the ARMORER'S FLANGE TOOL with a compatible torque wrench that fits the 3/8" square drive.
- Do not exceed the recommended torque specifications for flange installation to avoid tool failure or injury.
- Ensure that the work area is clean and free from obstructions before using the tool.
- Avoid wearing loose clothing or jewelry that may become entangled while using the tool.
- Do not use the tool if you are under the influence of drugs or alcohol.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components, including the ARMORER'S FLANGE TOOL, torque wrench, and the Law Tactical Folding Stock Adapter.
- Ensure that you are working in a welllit and stable environment.

2. Installation:

- Place the Law Tactical Folding Stock Adapter in the desired position on your firearm.
- Align the flange of the adapter with the mounting point.
- Insert the ARMORER'S FLANGE TOOL into the flange and ensure it is securely fitted.

3. Using the Torque Wrench:

- Attach the torque wrench to the 3/8" square drive of the ARMORER'S FLANGE TOOL.
- Set the torque wrench to the manufacturer's recommended torque specification for the flange installation.
- Apply torque gradually and evenly until the specified torque is reached. Do not apply excessive force.

4. Final Checks:

- After installation, doublecheck that all components are securely fastened.
- Ensure that the tool is clean and free of debris before storing.

Disposal Instructions

- Dispose of the ARMORER'S FLANGE TOOL in accordance with local regulations regarding metal waste.
- If the tool is no longer usable, consider recycling it to minimize environmental impact.

Contact Information for Further Support

For any questions, concerns, or safety inquiries regarding the ARMORER'S FLANGE TOOL, please contact the manufacturer directly. Ensure that you have the product details on hand for reference.

By following these safety instructions, you can ensure a safe and effective experience with the ARMORER'S FLANGE TOOL. Thank you for your attention to these important guidelines.
