An Aftermarket AR-15 Charging Handle That Clears Optics and Works With Gloves

When operating an AR-15 equipped with a mil-spec charging handle, there can be a few impediments to easy operation, such as clearing the ocular bell of a mounted optic or when trying to operate the gun with gloved hands. To solve these issues, ODIN Works developed its XCH Complete Charging Handle for the AR-15. Each ODIN Works XCH Complete Charging Handle can be had in either black or red and drops in as a replacement for the OEM charging handle on your rifle. The design is completely ambidextrous and features an extended latch that can be easily grasped in any situation.

Safety Instruction Guide for XCH AR15 Complete Extended Charging Handle

Introduction

Thank you for choosing the XCH AR15 Complete Extended Charging Handle by ODIN Works Inc. This guide provides important safety information and instructions to ensure the safe and effective use of your new charging handle. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Ensure the product is compatible with your AR15 model before installation.
- Always handle firearms with care and follow all safety protocols.
- Keep the charging handle and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the charging handle for signs of wear or damage.
- If you notice any issues, do not use the product and contact a qualified gunsmith.

Specific Safety Precautions for Use

- Use the charging handle only as intended. Do not modify or alter it in any way.
- Always ensure the firearm is unloaded before performing any maintenance or installation tasks.
- Wear appropriate personal protective equipment (PPE) such as gloves and eye protection when handling firearms.
- Be aware of your surroundings and ensure a safe environment when operating your firearm.
- If using gloves, ensure they provide adequate grip to operate the charging handle effectively.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Before beginning the installation, ensure that the firearm is completely unloaded and pointed in a safe direction.
2. **Remove the Old Charging Handle:**
 - Open the upper receiver of the AR15.
 - Carefully remove the existing charging handle by pulling it out of the receiver.
3. **Install the XCH Charging Handle:**
 - Align the new XCH Complete Extended Charging Handle with the receiver.
 - Slide the charging handle into place until it is securely seated.
4. **Check Functionality:**
 - After installation, check the functionality by operating the charging handle several times to ensure smooth operation.

Usage

- To operate the charging handle, grasp the extended latch firmly with your hand.
- Pull the charging handle back to chamber a round or clear the firearm as necessary.
- Ensure proper grip and control, especially when using gloves.

Disposal Instructions

- When disposing of the charging handle, follow local regulations regarding the disposal of firearm accessories.
- If the product is damaged or no longer usable, consider recycling the materials if possible.
