## A Shooting Mat to End All Shooting Mats

At Crosstac, company designers and engineers don't just make products for the market. They're shooters, hunters and competitors themselves, and these guys got frustrated with the sub-par shooting mats found all over the industry. So, what did they do? Of course, they decided they could do it better and created the Crosstac Precision LR Shooting Mat. Each Crosstac Precision LR Shooting Mat is loaded with tons of features, including a bipod-support rail that's sewn into the front edge of the mat. This allows shooters to pre-load their bipods, allowing for greater precision with every round. The mat is designed to roll out flat when deployed, and when it's packed up, all of the dirt and grime of the field stays inside the folds of the mat, so you won't be sprinkling dirt all over your vehicle. The Crosstac Precision LR Shooting Mat also stores flat, allowing shooters to keep it behind the seat of their truck or behind a cabinet in their shop when not in use. The mat is made from USA foam that's rated for use down to 20 degrees Fahrenheit, so this foam won't crack. The mat features a multi-cam finish, and the exterior is finished with a durable canvas material.

## Attributes

- Name: [CROSSTAC PRECISION LR SHOOTING MAT, MULTICAM](#)
- Manufacturer: [CROSSTAC](#)
- Product no.: 100036279
- Mfr. No.: 126010-MC

# Crosstac Precision LR Shooting Mat Safety Instructions

## Introduction

Thank you for choosing the Crosstac Precision LR Shooting Mat. This product has been designed with the needs of shooters, hunters, and competitors in mind. To ensure your safety and the best possible experience while using this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always inspect the shooting mat before use to ensure it is free from damage or defects.
- Use the shooting mat only for its intended purpose, which is to provide a stable shooting platform.
- Keep the shooting mat away from fire, extreme heat, and sharp objects to prevent damage.
- Store the shooting mat in a dry place when not in use to prevent mold and deterioration.
- Be cautious of the environment in which you are using the shooting mat. Ensure that the area is safe and free from hazards.

## Specific Safety Precautions for Use

- Ensure that the mat is laid out flat and securely positioned before using it for shooting.
- Avoid using the mat on uneven or unstable surfaces that may compromise stability.
- When using bipods, ensure they are properly secured to the bipod support rail to prevent accidents.
- Always follow local laws and regulations regarding shooting in your area.
- Keep children and pets at a safe distance from the shooting area.

## Instructions for Installation and Usage

### 1. Unpacking the Shooting Mat

- Carefully remove the shooting mat from its packaging.
- Inspect the mat for any visible damage or defects.

### 2. Laying Out the Mat

- Find a flat, stable surface to deploy the shooting mat.
- Roll out the mat completely to ensure it is flat.

### 3. Using the Bipod Support Rail

- Position your bipod on the rail sewn into the front edge of the mat.
- Preload the bipod to enhance stability and precision.

### 4. Shooting Position

- Ensure your shooting position is stable and comfortable.
- Keep the mat clean from dirt and debris to maintain its performance.

### 5. Packing Up the Mat

- After use, carefully fold the mat to keep dirt and grime contained.
- Store the mat in a dry location, preferably behind the seat of your truck or in a cabinet.

## **Disposal Instructions**

- When the shooting mat reaches the end of its life cycle, dispose of it responsibly.
- Check local regulations for disposal of materials used in the shooting mat, such as foam and canvas.
- Consider recycling options where available.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Crosstac Precision LR Shooting Mat, please refer to the EU-based contact point provided with your product packaging or documentation.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your Crosstac Precision LR Shooting Mat. Remember to stay informed about safety updates and recalls through the EU's Safety Gate platform. Thank you for your commitment to safety and responsible shooting practices.
