[Optics & Mounting](#) > [Electronic Sights](#) > [Red Dot Sights](#)

## Offers Flexible Power Options for a Red Dot Optic

Don't ever be stuck at the range or in the field with a red-dot optic that's out of juice. The Holosun HS403C Solar Micro Red Dot Sight is purpose-built to ensure that hunters and shooters have an optic that can run off multiple power systems. The Holosun HS403C Solar Micro Red Dot Sight is built with a combination of built-in solar panels combined with an ultra-efficient LED system that uses a bare minimum of power to provide an aiming point measuring 2 MOA in diameter. In sufficient sunlight, the optic can run without depending on a battery backup. Adjustment value: 1/2 MOA Features 12 brightness settings 50,000-hour battery life Weight: 4.3 ounces Fits Aimpoint Micro style mounts/footprints. Each Holosun HS403C Solar Micro Red Dot Sight ships with a low-mount riser and a 1/3 co-witness mount that's purpose-built for modern sporting rifles.

# HS403C Solar Red Dot Micro Sight Safety Instructions

## Introduction

Thank you for choosing the Holosun HS403C Solar Red Dot Micro Sight. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always ensure that the sight is securely mounted to your firearm before use.
- Never point your firearm at anything you do not intend to shoot.
- Keep the sight clean and free from obstructions to ensure optimal performance.
- Regularly check the battery and solar panel functionality to ensure the sight operates correctly.
- Store the sight in a safe place, away from children and unauthorized users.
- Be aware of your surroundings and ensure that you have a clear line of sight when aiming.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Battery Safety:**
  - Use only the specified CR 2032 battery for replacement.
  - Dispose of used batteries according to local regulations to prevent environmental harm.
- **Child Safety:**
  - This product is not intended for use by children. Keep out of reach of minors.
- **Night Vision Compatibility:**
  - Ensure that the sight is set to the appropriate brightness level when using night vision devices.
- **Environmental Considerations:**
  - Avoid exposing the sight to extreme temperatures or moisture that may affect its performance.

## Instructions for Installation and Usage

### Installation

#### 1. Mounting the Sight:

- Select a suitable mounting location on your firearm.
- Use the provided lowmount riser or 1/3 cowitness mount as per your preference.
- Securely tighten the mounting screws to ensure stability.

#### 2. Power Supply:

- Insert the CR 2032 battery into the designated compartment, ensuring correct polarity.
- Check the solar panel functionality by exposing it to sufficient sunlight.

### Usage

#### 1. Turning On the Sight:

- Press the power button to turn on the sight.
- Adjust the brightness settings using the designated controls. The sight features 12 brightness settings for optimal visibility.

## 2. **Adjusting the Reticle:**

- Use the adjustment controls to zero the sight according to your shooting requirements. Each click adjusts the reticle by 0.5 MOA.

## 3. **Maintaining the Sight:**

- Regularly clean the lens with a soft, dry cloth.
- Avoid using harsh chemicals that may damage the lens or housing.

## **Disposal Instructions**

- Dispose of the HS403C Solar Red Dot Micro Sight in accordance with local waste management regulations.
- Remove the battery before disposal and recycle it at designated battery recycling facilities.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding the Holosun HS403C Solar Red Dot Micro Sight, please refer to the manufacturer's customer support resources. Ensure you have the product information available when seeking assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Holosun HS403C Solar Red Dot Micro Sight. Thank you for your attention to safety.
